Madison Teachers Get $5-$22 Increases

Board, Local Approve $511-$888 Monthly Pay For Next 2 Years

The Madison school board Tuesday night approved a $511-$888 teacher salary schedule for the next two years, and revised increments contained in the $498-$866 schedule for 1962-63.

Supt. Wensel L. Brown said most instructors will receive monthly raises varying from $5 to $22, not counting any automatic raises earned by those with 12 or less years of teaching experience. Third-year pay was left unchanged, [illegible] teachers completing two years this year will retain their earned benefits on the old schedule in 1963-64.

Provisions of the new schedule have been approved by Madison Teachers' Federation Local 763 after negotiations between its salary committee and Supt. Brown.

Starting pay will be $566 a month for a teacher with a bachelor's degree, and no previous experience, increasing to $577, $609, $631, $642, $670, $681, $692, $720, $731, $759, $770 and $800 with 12 years' experience.

The salary range will be $511 to $744 for non-degree teachers, $622 to $855 for those with master degrees and $655 to $888 for teachers with master degrees plus 30 graduate credit hours.

Principals, Secretaries

The board also approved increases of $20 a month for principals who work 10 months, $18 monthly for principals who work 11 months, $5 for each five full years of service beyond the present 10-year scale for clerks and secretaries, $5 for attendance officers and $6 monthly for cooks.

No recommendations were made for custodians, as negotiations are continuing.

The salary of the band director will remain the same but his

3 Valedictorians And 21 Scholarship Awards At GCHS

Three co-valedictorians, four other students with 5.0 or better averages and 21 scholarship winners were announced at Granite City high school during an awards assembly Wednesday morning.

David Toth, John Spudich and Robert Butler jr. were designated as co-valedictorians with scholastic averages of 5.2 are higher.

Pins for general scholastic excellence were awarded to Sheryl Glozik, Larry Tolbert, Pamela Bradley and Bernadette Grzeszczyk. Each had a record of 5.0 or higher.

A grade of five equals A and four equals B, but higher averages are now possible due to recognition of participation in accelerated instruction.

81 Honor Students

Eighty-four honor students — including the co-valedictorians, general excellence pin recipients and 77 others—were announced by Principal Lawrence C. McCauley. Other speakers at the assembly were Supt. Harold M. Kaiser and Dan Linder, a school board member.

Representatives of the Granite City Scholarship Foundation presented 21 scholarships of $400 each to graduating seniors planning to continue their education.

Allen Jessee, president, awarded scholarships to Mary Crouse, Curtis Fletcher, Robert Stroube and Larry Tolbert on behalf of the foundation; Lana McDaniels, on behalf of M. H. Wolfe & Co.; and Carol Bradish, on behalf of the Daybreak-Twilight Opti-Mrs.

Granite City Steel Co., represented by Carl Baczenas, presented scholarships to Bernard Unger, Raymond Voss and Sandra Potillo, while Union Starch & Refining Co., represented by Glen Keithley, gave scholarships to Ralph Rotter and Larry Nobbin.

Other scholarship winners were Linda McCollegan, by American Steel Foundries, R. G. Bierer; Arlette Alexander, by Aro-Dressel Foods Corp. in honor of Lucian Dressel, presented by Jon Dressel; Pamela Bosich by Dow Diamonds, Mrs. Rainie Rodgers; Ted Bourbon, by General Steel Industries, Dan House; Sheryl Glozik, by Junior Minerva club, Mrs. Billy Terrell; Donna Shands, by Granite City Junior Service club, Mrs. John Schaffner; Cathy Jones, by Quad-City Publishing Co. Cruse Will Discuss Property Values With Individuals

Meetings with individual property owners on values placed on their real estate before the current quadrennial revaluation figures are placed in the tax books for next year's collection will be held by Granite City Tax Assessor H. Von Dee Cruse.

Cruse said he will be at his office from 9 a.m. to 5 p.m. starting Monday to review the new values with individuals. His office is at 1904a Delmar avenue above Fleishmann's store.

Areas Next Week

The areas revalued and available for review next week include the original plat, Industrial addition, Tri-City Park and Annex and the southern extension to Granite City. This is the area from the city limit line in the 1400 blocks of Washington, Iowa Grand, Madison and State street to 23rd street and between Adams and Monroe streets, as well as property behind the mill.

Dates that property owners in other sections of the city may visit his office will be announced later, Cruse said.

Tentative Values Set

"Each parcel has been reviewed and a tentative valuation set. Before I place these values in the tax books, I would like to invite the property owners to discuss their individual assessments," Cruse told the Press-Record.

He added that because of a decline in property values since the last real estate assessment in 1958, most valuations have been reduced. "We made a completely new revaluation of the more than 10,000 parcels of real estate, and there are some increases," he added.

Checkbook Stolen From Township Office

A book of town fund checks still is missing, but a check protector and a typewriter also stolen from the Nameoki town hall on Route 162 Monday night were recovered Tuesday. They were found in a culvert, a mile outside of Granite City along Rock road by Granite City police.

The township office was entered through a rear window and cabinets were ransacked with the contents scattered on the floor. A cabinet safe was forced open to get the check book.

County authorities are investigating information furnished by Granite City police.

Nursing Home Site Annexation Ok'd By GC Council

Granite City council members approved annexation of a 5.388-acre tract on the north side of West Pontoon road for the new Colonnades, 78-bed nursing home to be erected by Dr. and Mrs. J. C. Byers and Charles Goff, Madison florists and insurance agent.

The council also authorized an amendment to the city zoning code to permit the multiple dwelling structure adjacent to the single-unit area of Melrose addition.

Construction of the nursing home is expected to be started in late summer or early fall, as soon as detailed plans are completed by Architect Virgil Dulgeroff.

Council members, viewing a drawing presented by Mrs. Byers at Monday night's meeting, praised the colonial design and attractiveness of the building as well as its filling a community need. It has been approved by the state.

The fireproof building is to feature individual controls for heating and air-conditioning. It is to contain about 24,000 square feet.

In addition to the private and semi-private rooms, the home will contain a dining hall and kitchen, recreation facilities, solarium, nurse stations, infirmary and quarters for beauty and barber shops.

Dr. Byers said the home will provide occupational therapy, physiotherapy and programs for diversification of interests of patients.

Undergo Surgery At St. Elizabeth Hospital

The following are recovering at St. Elizabeth Hospital from surgery which they underwent this week:

Jo Ann Grogan, 2200 Adams street; Ben Sanders, 3001 Wayne avenue; Rose Lisac, 2909 Maryville road; Marjorie Jones, 2423 Bryan avenue; Ray Romine jr., 2561 Cleveland blvd., Edward J. Hommert, 2413 Grand avenue; Gladys Counts, 3004 Nameoki road; Walter Williams, Rural Route One; Myrrl Caflero, St. Louis; Milton Cummins, 2015 Washington avenue; Brenda Hart, 2509 Angela drive; Peter Kosanovich, 400 State street, Madison; Fred Glenn, Edwardsville; Wilbert Brown, Rural Route One; Alice Walker, 2261 Woodlawn avenue; Alice Shelby, Lovejoy, Ill.

City May Borrow $100,000 To $200,000

Late Tax Collection Given As Reason; Busy Session For GC Council

(Related Story on Page 9)

The probability of issuing $100,000 to $200,000 in tax anticipation warrants because of the delay in getting tax books for this year's collection was outlined Monday night to Granite City council members by Comptroller John Dooher.

In a busy session, the 15 council members gave authority for borrowing as needed in the event new tax money might not become available until late June or July.

The city has about $114,000 surplus funds available, but even with the new rate for the levee district becoming known late yesterday, it will take a month or more for tax bills to be prepared and mailed.

The comptroller's annual report showed a $26,509 balance in the general fund accounts on April 30, the end of the fiscal year, and disbursements have average $92,400 a month. "We'll have at least two months' operation before we receive any new tax money," Dooher said.

With the receipt of the annual report, council members began preparing for initial work on a new city budget. Finance Chairman Paul Rutledge was absent, due to illness, but other committees indicated they would begin wage talks with city employee unions and department heads.

A budget of $97,085 for the public library, up $2060, was referred to the Finance committee for study.

Lift Station Warnings

Among other items suggested for the new budget was a $3500 warning system for the city's 13 lift stations. The system would be installed by the telephone company and monthly costs would be an estimated $70, it was reported by Alderman Willard McGee.

Each lift station would have a warning connection with a board at police headquarters, and should a defect develop, an immediate warning would be issued and the police desk clerk would notify the street department.

Until the system is authorized and installed, McGee's recommendation to reactivate the present warning devices of horns and lights was approved by the council.

Seek SWB Order Extension

Charles W. Moerlien, chairman of the Pollution Study committee, said a request is to be made to the State Sanitary Water Board for an extension of the June 1 deadline for the city to submit proof of a bond issue for construction of a sewage treatment plant. A resolution outlining the duties of the committee to recommend an engineering firm to design the plant and supervise its construction was approved.

The Street and Alley committee, headed by G. H. Sternberg, was urged to submit its recommendation as soon as possible on the hiring of nine to 11 men for the street department. The department lost about nine men in

New Rating Sought In Fire Tax Election

Balloting Saturday At Mitchell; Predict Cut In Fire Insurance Cost

A new fire truck, more hose, additional equipment, more fire hydrants and lower fire insurance for Mitchell area residents are goals of the Mitchell fire district, which will conduct a tax rate election Saturday.

Voting hours will be 6 a.m. to 6 p.m., and the single polling place will be located at the Mitchell fire station on Bypass 66. The ballot question is whether the current rate maximum should be increased from 12.5 cents to 25 cents per $100 assessed valuation.

The 36-square-mile area of the 13-year-old district includes Mitchell, the part of Pontoon Beach in Chouteau township and a section of Edwardsville township, including Sunset Hill. The population has been growing rapidly in recent years, and the volumes of fire calls is showing a sharp increase this year.

The district operates 70 fire hydrants—55 at Mitchell and 15 at Pontoon Beach—and has three fire trucks, built in 1950, 1955 and 1957.

Officials of the fire district have estimated that increased expenditures would add about $6 to the yearly tax bills of most property owners.

Valuation Rate, Levy

Based on a $12,660,000 assessment, the present limit would provide $15,828 in taxes each year and the proposed limit would make a $31,657 levy possible.

Taxation actually has been limited to a 10-cent rate by state rulings, and expenditures in 1961-62 amounted to $10,457. With $9238 received during the year, the cash balance dropped from $2030 to $831.

Marion Sparks, president of the district, said collection costs and losses also have reduced the amount of available funds, and railroad tax objections have trimmed revenue by about $1700 a year. Assessed by the state, the railroads object on the ground that their property is valued at 100%, compared to 60% to 65% on locally-assessed land and improvements.

Hose, Water Requirements

Sparks cited potential insurance savings to residents of the fire district if the present B rating is replaced by an A rating. To do this, it will be necessary to send 2000 feet of 2½-inch hose and 1000 gallons of water to each fire.

This has not been possible due to the condition, capacity and weight-bearing ability of the present vehicles, and the practice of keeping at least one of the three trucks in the main Mitchell area—which has 6000 to 8000 population—at all times, he explained.

Lee Paul is chief of the fire department, which handled 46 calls last year. George Bugle is secretary and Gordon Routh treasurer of the district.

Fire Truck Within Year

Sparks said that if the election carries, it is planned to purchase a new fire engine within the next year. Hose will be added, nozzles will be replaced, a

Thieves Smash Biscuit Co. Safe; Steal Over $1400

A large, 800-pound safe was carted out of the Schulze-Burch Biscuit Co. office, 812 Twenty-fourth street, early Wednesday and "peeled" by safe crackers who stole over $1400.

Edward Mullins, office manager, said the break-in occurred between 12;30 and 5:50 a.m. The safe was rolled out the rear door into a field near the water company tower at 24th and Center streets where it was smashed open.

Entrance was gained by prying loose a section of the sheet metal siding on the west side of the building away from nearby homes. Mullins said nothing else in the office was disturbed.

He will contact the firm's Chicago office to determine if the loss, representing receipts of delivery truck drivers, was covered by insurance.

GC Park Board Re-Elects Loman; Ok's Wage Hikes

Granite City park district commissioners renamed all 1962-63 elective and appointive personnel for the coming year during their annual reorganization meeting last night.

Re-elected were Barry Loman, board president, and Milton Worthen, vice-president. Commissioners reappointed Harold Brown as director of parks and recreation and voted Brown a $400 salary increase to $8400 per year.

Also reappointed were Secretary Frank Rea, $165 per month; Treasurer Jack Johnson, $75 per month; and Atty. Randall Robertson, $125 per month, the same as current salaries.

Loman said he would make standing committee appointments at the park board's next meeting.

Summer Employees

Employed for the summer season were Mrs. Helen Bjorkman, recreation director, with a $25 increase to $550; Mrs. Sue Champion, office secretary, a $20 increase to $250 per month; chief park guards at $1.65 per hour, an increase of 30 cents; guards at $1.35 per hour, an increase of 10 cents; and Howard Hale, maintenance foreman, $300 per month, an increase of $50.

Combine Jobs

The board also acted to combine the jobs of activities director and custodian at the community center, hiring John L. Birdsong, 23, for a yearly salary of $4020. The board said the current custodian at the center is on disability leave and that the activities director position is vacant. Birdsong's employment is effective June 10.

"Music Under the Stars" program allotments were increased from $500 to $600 to help defray costs of a new 5-6th grade choral group. April bills of $9895 and salaries of $4223 were approved for payment.

Construction projects currently underway in the park district include resurfacing of tennis courts and replacement of the gym floor at the community center.

4.9-Cent Increase In Levee Tax Rate

$4.01 Grand Total For GC; Total Still Down In Madison, Nameoki

The Levee District portion of local property tax rates will be 4.9 cents higher than last year in determining tax bills to be, collected this spring, it was announced yesterday by the St. Clair county clerk's office.

With other rates announced in March, the total rate will be $4.016 for most Granite City-ans, up 10.8 cents from a year ago; $3.897 in Madison, down 1.8 cents; $3.321 in Venice, up 4.7 cents; and $3.46 in Nameoki township, down 2.1 cents.

Upon receiving word of the new East Side Levee and Sanitary District rate, which applies to property within the district's boundaries in the two counties, Madison County Clerk Miss Eulalia Hotz told the Press-Record yesterday that work on tax books will now move into the final stages.

Ready In Two Weeks

The books will be completed and turned over to collectors in local townships during the next two weeks, Miss Hotz said. Collection of taxes will start after the townships prepare individual tax bills.

The final Granite City tax rate, in addition to the levee tax, consist of $2.293 for the school district, up 1.6 cent; 83.5 cents for the city government, up 4.1 cents; 21.2 cents for the county, down 8.2 cents; 11.1 cents for the township, up 8.4 cents; and 12.4 cents for the park district, unchanged.

Other parts of the total Madison rate are $2.054 for schools, down 4.6 cents; $1.05 for the city, up six cents; 21.2 cents for the county, down 8.2 cents; 10.5 cents for Venice Township, up two mills; and 3.5 cents for township road and bridge, down one mill.

Venice Rates

Venice rates include $1.678 for the school district, up 8.7 cents; 69.9 cents for the city, down 1.5 cents; 21.2 for the county, down 8.2; 10.5 cents for the township, up two mills; 3.5 cents for township road and bridge, down one mill: and 15.1 cents for the Venice park district, up seven mills.

The unincorporated area of Nameoki township has a $2.293 rate for the Granite City school district, up 1.6 cents; 21.2 cents for the county, down 8.2; 22.7 cents for the township, down a half-cent; and 28.7 cents for township road and bridge, up one mill.

The Long Lake fire district rate is $2.293, unchanged; Miracle Manor, Bellemore Place street lighting district, 9.3 cents, down seven mills; and State Park Place street lighting district, 10 cents, same as a year ago.

Women's Clubs Begin Donations For Museum

A number of women's clubs already have contributed to the "Granite City Plan" for the Madison County historical museum, it was reported at a meeting Tuesday night in the Granite City Trust and Savings Bank.

Mrs. Vernice Wortman, chairman of the local fund drive, reported that 62 of the 63 women's organizations have been contacted and only 10 declined to make a donation. Some have made pledges, she said. One group has made a contribution.

Men's organizations are being contacted by the Granite City Jaycees, with Marvin Boyer in charge. He attended the planning meeting. Organizations making donations are to be announced next week.

Efforts are being made to raise $6000 in the county-wide fund drive for $40,000 to develop the 127-year-old Weir house in Edwardsville into an historical museum.

School children in the county are being asked to contribute pennies, nickels or dimes where it does not violate school board policies. Dr. Harold Kaiser, superintendent of schools, referred the proposal to the various principals for approval or disapproval.

Slides of historical interest were shown to an enthusiastic group of 25 to 30 persons at the meeting by Mrs. Stephen R. Stimson, co-chairman of the county drive.

Downtown TraveLodge Opens Officially

Official opening with a ribbon-cutting ceremony was held today for the new 45-unit, three-story TraveLodge Motel at 19th street and Cleveland blvd.

Mr. and Mrs. Nelson Hediger, who formerly lived on Franklin avenue, are the resident managers. They pointed out that Quad-Cityans planning vacations may make reservations through them for the 250 other TraveLodges.

The Quad-Cities only downtown motel features a swimming pool and has an elevator serving the three levels. The colorful structure was completed over the weekend and opened for "trial run" before today's official opening.

Central Location

The modernistic design features wrought iron and masonry solar screens, and the Hediger point out the motel is centrally located with restaurants, entertainment and shops within walking distance. Adequate off-street parking is provided for the patrons.

Other features are the heated swimming pool, central air-conditioning and heating, wall-mounted television, background music in the rooms and at the pool, showers and tubs, direct dial telephones and the elevator.

The commercial rate for a single room with double bed is $7.50, while for two people with one double bed $9.50. A room with two double beds for two people is $12, and the family rate is $12 with an addition charge of $2 for each adult.

ICC Revises Water Rate Boost For Large Users

(Special from Springfield)

The Illinois Commerce Commission yesterday announced a revised order on the hearing of its Nov. 21, 1962, decision providing for an across-the-board increase of 12.75% on water rates of the East. St. Louis & Interurban Water Co.

The rehearing order affirms the original 12.75% order in all respects except as to the rate for water usage in excess of 3,333,000 cubic feet per month. The only Quad-City firm of the Large Water Users group that would be involved in the revision, cutting the increase for the large users to 9.25% from the 12.75%, would be Granite City Steel Co. Three St. Clair county firms also would benefit. The 9.25% boost would date back to Nov. 26.

Appeals of Wednesday's order are expected by both the water company and the large water users group. The appeals probably will be filed in the circuit court in either Madison or St. Louis county.

Involves Only Large Users

This change in rate, Commerce Commission Chairman James Karber said, will include only the large water users and would reduce their annual water cost by approximately $7,150.

The increase granted by the commission in its order of Nov. 21, 1962, amounted to $580,000. This increase will be reduced by $7150 by the order entered on hearing.

The commission pointed out in its rehearing order that testimony submitted in the case by one of the large water users, Monsanto Chemical Co., showed it might be possible for the company to install its own facilities and obtain water at a rate lower than that reflected in the 12.75% increase.

"The commission is under the opinion," the order said, "that it would be to the advantage of the customers of the water company to have the order amended to give a lesser increase to users of water in excess of 3,333,000 cubic feet per month."

"The loss of Monsanto Chemical Co. as a customer of the water company could so adversely affect the revenue of the water company that it might conceivably result in an application for additional rate increases."

Patio Diet Cola Being Introduced In Quad-Cities

The Quad-Cities have been designated as one of the first areas in the U.S. where the new Patio Diet Cola, a product of Pepsi-Cola Co., will be available starting Friday. It was announced today by Nick Maggos, president of Pepsi-Cola Bottling Co., Alton.

Maggos said the new low calorie drink is available at retail outlets in six, 16-ounce bottle cartons. Pepsi-Cola research personnel developed the "real-cola taste by the inclusion of high quality real cola ingredients, while keeping the single six-ounce drink to one calorie.

NEWLY-ELECTED second vice-president of the American Institute of Banking, St. Louis Chapter, is John Polson, assistant vice-president at Granite City Trust & Savings Bank.

Arson Possibility In $1500 Fire At House

An arson investigation is being made in connection with a fire that caused an estimated $1500 damage to the interior of an unoccupied three-story frame home at 1916 (rear) Harris street, Madison, at 11:30 p.m. Monday.

There were indications that a window had been forced open and that a gas line had been broken. Papers had been placed in the center of one room.

Firemen attributed the blaze to juveniles. The building is owned by Joanne Todd.

Polson Elected To AIB Vice-Presidency

John Polson, assistant vice-president at Granite City Trust & Savings Bank, has been elected to the office of second vice president of the American Institute of Banking, St. Louis Chapter.

Announcement was made today by Ernest A. Karandjeff, president of Granite City Trust. Polson has been active in Institute affairs for a number of years, and his appointment was decided by election at a recent meeting of the Institute's Board of Governors.

As a result of his election, Polson will be a delegate to the American Banking's National Convention to be held in Denver, Colo., May 27-31.

The American Institute of Banking is a national educational organization whose purpose is to teach specialized banking skills to bank employees. Granite City Trust actively supports the Institute's program and encourages all of its employees to take courses, in addition to paying all of the employees' tuition costs.

Shanahan Named To Highway Operations Group

George H. Shanahan of Alton, former district highway engineer at French Village, was named this week to head up an operations group for the state highway department. He was appointed an assistant chief engineer last month.

Shanahan will have jurisdiction over the bureaus that deal with roads after contracts have been awarded.

HENRY W. ROHLFING, who has been appointed procurement officer at the Granite City Army Depot. He resides with his family at 2320 East 25th street.

Rohlfing Named Depot Procurement Officer

Henry W. Rohlfing has been appointed procurement officer at the Granite City Army Depot. He began the Depot in 1947 as a clerk in Supply and Maintenance.

He was reared in Baldwin, Ill., and was graduated from the schools there. He entered government Civil Service in 1940 as a stenotypist and secretary to the commanding officer with the St. Louis Quartermaster Corps. Later in the year he went with the Quartermasters in Kansas City.

Mr. and Mrs. Rohlfing and son, Terry, live at 2320 East 25th street. They have a married son, Louis.

TRAVELODGE MOTEL MANAGERS, Nelson Hediger and his wife, Mildred, are looking over a double room in the 45-unit motel, Granite City's only downtown motel. Mrs. Hediger is demonstrating the direct-dial telephone which is included in each room, along with television. Background music is piped in and there is central air-conditioning and heating. An elevator serves the three levels.

Historical Society To Meet Sunday At Museum Site

The lawn of the Weir property at 715 North Main street in Edwardsville will be the site of a meeting of the Madison County Historical Society at 2:30 p.m. Sunday.

Open to the public, the meeting has as its theme the need for an adequate historical museum. The society hopes to raise $40,000 through a fund drive to purchase the 127-year-old Weir home and convert it into a county museum.

Principal speaker Sunday will be Bernard Wax, field services supervisor of the Illinois State Historical Society, whose topic will be "The Importance of the County Historical Museum."

A short history of the Weir property will be presented by Mrs. Mailand A. Timmemiere, past president of the Alton Area Historical Society, and society members and guests will tour the home after the meeting is adjourned.

A. Edson Smith, society president, will conduct the meeting, which will be across the street to the Immanuel Methodist Church in case of bad weather.

Verdict Of Accident In Triple Auto Death

A verdict of death by accident was returned by a coroner's jury at an inquest into the deaths of three persons in an automobile collision May 13 at the levee "hump" on U. S. 67a north of Granite City.

Killed were Robert E. Mouser, 17, Rural Route One; David McCleary, 15, Rural Route One, and Mrs. John Pittman, 40, an East St. Louis school teacher. Injured critically in the accident was Lee E. Ashby, 38, of 2841 Dogwood drive, a Madison junior high school teacher.

It was determined that Mouser apparently lost control of his car and veered into the southbound lane of the highway into the path of the auto driven by Mrs. Pittman. Witnesses testifying in the inquest, conducted by Henry Pieper, deputy coroner, were Alfred Ritchey, 3009 Nash avenue, and Jay Robert Sulmar, 2029 Manley avenue.

Final Meeting Of Area PTA Council Tonight

Final meeting of the year of the Granite City Area PTA will be held at 7:30 tonight at Logan school, West 25th street and Dewey avenue. An art scholarship will be awarded to Miss Nancy Williams by Eugene Aiassi, Granite City school district art director, and Mrs. Kathleen Tadlock, Area PTA president.

A general discussion will be held on progress made in PTA work, with the aim of improving next year. There will be reports on the PTA state convention, and installation of officers for the 1963-64 year will be conducted by Mrs. V. J. Brazier of Wood River, state secretary of the Illinois Congress of Parents and Teachers. The meeting will be followed by a social hour.

SNAP JUDGMENT

Second thoughts are usually the real thing — the first one was just an impulse.

Tavern Licenses To Be Checked In GC

Inspections of the 59 taverns and clubs holding Granite City liquor licenses will be made by the newly-appointed deputy liquor commission, Second Ward Alderman Edmund Bartosiak.

"I believe it's the first time it's ever been done, but I plan to inspect each tavern to make sure their licenses are up-to-date," Bartosiak said Monday night.

The city's licensing year began May 1. Bartosiak indicated action would be taken against taverns with out-dated licenses or failure to comply with the liquor control ordiance.

3 GC National Guards To Train At Camp Clark

Three members of the 880th Engineer Battalion (Combat), Missouri National Guard will take their annual active duty training at Camp Clark near Nevada, Mo., from June 1 to 15.

All are members of Headquarters Company of the Battalion. They are Spec. 4 C. L. Dennis R. Hunnicutt, 2628 Adams street; Spec. 4 C. L. William C. Jones, 2578 Iowa street, and Spec. 4 C. L. Richard B. Wickman, 2621 Madison avenue.

Reese Drug Observing 40th Anniversary

Reese Drugs Stores are beginning this week a special sales promotion to observe the firm's 40th anniversary.

The firm was started in 1923 in Granite City by Walter A. Reese at 1322 Niedringhaus avenue, the present location of the downtown store, and has expanded to 10 stores, including nine in Illinois and one in Missouri.

The other locations are in Madison, at Bellemore Village shopping center, where an expansion is underway, Cahokia, two in East Alton, Wood River, Jerseyville, Godfrey and O'Fallon, Mo. The Bellemore store is continuing to be open while the expansion is under way.

Walter Reese is the firm's president, and John W. Reese, his son, is vice-president.

Auto-Truck Collision

Involved in a collision Monday afternoon on 17th street at Madison avenue were an auto driven by Opal Wilson, 39, of 3013 Buxton avenue, and a truck operated by Charles Burgdorf, 23, of 4235 Breckinridge lane. Police said both vehicles were traveling east and the auto hit the rear of the truck as it was pulling away from a stop sign.

3 Artists' Works To Be Displayed At Library

Three local artists will have their works on display starting tomorrow at the Granite City public library. The exhibit will end June 1.

Pauline Keel, 2205 Edwards street, who was an art major at high school, will display six oils and one tempora. She paints in a realistic style with emphasis on still life and landscapes. She has won several art contests.

Sandra Shelton, 1821a Fourth street, Madison, also majored in art at Granite City high school and studied at SWIU in Alton. She also works in a realistic style featuring pastels, oils and charcoal drawings.

Nancy Oehlecker, 2401 Hemlock avenue, will have 10 oil paintings on display. She majored in art at GCHS and studied one semester at SWIU, along with receiving a gold cup award in high school. She attended the summer Egyptian Art Camp at Duquoin.

Suits Taken From Auto

Two suits, size 40, were stolen from the auto of Andrew Carey, 3712 Nameoki road, while it was parked at 17th street and Madison avenue yesterday afternoon. Two men were seen near the parked auto, but police were unable to locate them.

the past year due to deaths and retirements.

Proposals are to be sought from architects for designing a new fire station for West Granite during the current fiscal year. No cost estimate is yet available. Ford Johnson, chairman of the Five committee, said the new station probably will be located at the same site as the present station at Cayuga street and Rock road.

He also said the committee was ready to advertise for bids for a sign at the main fire station.

Preparation of a priority list for motor fuel tax improvements to streets will be started as soon as the city engineering staff prepares a detailed listing of projects already authorized. Sternberg said a meeting of the aldermen will be called to prepare the priority listing.

He was given permission to experiment with a road tar product developed by Reilly Tar & Chemical Corp. to determine if it will outlast liquid asphalt and prove cheaper for improving city streets.

The road tar costs 26½ cents a gallon, compared to 17¼ cents for the asphalt. A four-block section of a street is to be tested—two blocks with the tar and two with asphalt. It was estimated the experiment would cost $100 to $200.

In other business the council—

Authorized a $2000 liquor bond for Thomas Gushleff of Granite City to take over the operation of The Den at 24th and State streets, and gave Deputy Liquor Commissioner Edmund Bartosiak permission to have signs distributed to taverns advising minors they would be subject to a fine if they misrepresent their ages to buy liquor.

Referred to the Plan Commission a request for rezoning of a residence at 3704 Nameoki road for a dental office on the first floor for Dr. Earl Miller.

Referred to the city attorney was a list of 18 locations for condemnation, which Plan Committee Chairman Donald Partney said have been pending for over a year.

The City Hall committee is to study a proposal for a firm to install devices on the city hall building which would prevent pigeons and starlings from nesting.

Authority was given the Legislative committee to attend an Illinois Municipal League meeting in Springfield on Saturday and for $165 to be allocated for six police officers to compete in a shooting match at Rockford on June 11-12.

3 More Area Youths Charged With Burglary

Burglary charges were filed yesterday by Granite City police against three other youths in connection with a series of 15 breakins which were cleared with the arrest of a trio early Sunday that had attempted to break into the Parkview confectionery.

Also charged with burglary were Leonard Crone, 20, of 2709 Cayuga street; Harold R. Lee, 17, of Edwardsville and David Joe Montgomery, 4002 Breckenridge lane. Crone and the others arrested Sunday, Ralph Dunham, 16, of 4178 Breckenridge lane; Billy Farless, 19, of Rural Route One, and John Dowdy, 17, of 4180 Breckenridge lane face an additional charge of attempted burglary.

All six were questioned this week by county authorities and admitted seven break-ins in addition to the 15 in Granite City. Both city and county authorities said the gang usually operated in groups of three or four.

Most of the jewelry, radios and cameras taken from homes were discarded in Long Lake, but U. S. Savings Bonds taken May 16 from the home of Henry Becker in the county at 2606 Pine street, were located in a hiding place along Maryville road.

Another cache of small items was found in a field near the Cargill grain elevator.

Police are plannng to search the lake to find the other missing items.

All have been released on $1000 bonds with the exception of Farless and Crone, who are in the county jail. Information on the county thefts is being presented to the state's attorney's office this week, Chief Deputy George Ramach said today.

Five Persons Injured In Traffic Accidents

Injuries were suffered by five persons in four of 10 traffic accidents this week in and near the Quad-Cities.

Two auto passengers were hurt yesterday morning in a collision in the 2900 block of Edwardsville road which also involved a Granite City street department truck.

Admitted to St. Elizabeth Hospital with back injuries were Janice Banks, 22, of 1023 Market street, and Betty Myers, 51, of 44 Lee Wright Homes, Venice, who were riding in the auto driven by William Banks, 24, of the Market street address.

Police said Banks was traveling east and was attempting to pass the eastbound truck, operated by Jesse Keller, 49, or 2818 West 20th street, who was making a left turn.

James Andrew, 53, of 1223 Bissell street, Venice, was taken by ambulance to St. Elizabeth Hospital for treatment of chest, right knee and back injuries sustained in a three-car accident at Second and State streets, Madison, at 3:40 p.m. Monday. He was released after x-rays were taken.

The injured man was riding in the auto of Robert Lee Ingram, 1139 Market street, Venice, who was arrested for having no driver's license. Other drivers were Elmer Martin, 1220 Logan street, Venice, and Willie Barnes, St. Louis. Barnes, 40, was charged by Madison police with driving in the wrong lane, being released on $15 cash bond. Ingram posted a property bond.

Police said Barnes related looking toward the floor of his car. When he looked up, it was too late for his northbound car to avoid the right front of the southbound Ingram auto, which veered unsuccessfully. The front of the Barnes vehicle then collided with the left front of the southbound Martin auto.

Martin Carmody, 21, of 2206 Washington avenue, suffered injury to his right knee Monday afternoon when an auto in which he was riding was involved in an accident at 21st and Iowa streets. He was given treatment at the hospital.

Police said he was a passenger in an auto being driven east on 21st street by Russell Bullock, 20, of 2344 Orville avenue. The other auto was being operated south on Iowa street by Anna B. Cooley, 69, of 1639 Lindell blvd.

Firemen went to the scene because a small fire broke out in Bullock's auto. No fire damage was reported from the short circuit in wiring under the hood.

An Alton man, Eugene F. Sanders, 21, suffered a severe cut to his right ear in a one-auto mishap at 2:50 a.m. today on U. S. Bypass 66-40, a mile west of Mitchell. It was learned he was a passenger in the auto which went out of control and into a ditch. He was treated at St. Elizabeth Hospital and transferred to an Alton hospital. Details on the accident were not available from authorities.

Mrs. Ethel Cooley, 79, Succumbs In Hospital

Mrs. Ethel Cooley, 79, of 1601 Kirkpatrick Homes, died at 2 a.m. today at St. Elizabeth Hospital. She was ill five weeks and was hospitalized five weeks.

Born in Virden, Ill., she lived in Granite City 51 years. She was a member of Central Christian Church and the Golden Age Circle of Kirkpatrick Homes. Her husband, John Cooley, died in 1953.

She is survived by a son, Durward Cooley, Granite City; a daughter, Mrs. Vera Lee Wilhelmy, Granite City; three brothers, Fred and Nibbs Hagler, both of Twin Falls, Ida., and John Hagler, Lincoln, Nebr.; a sister, Mrs. Letha Christian, Twin Falls; seven grandchildren and six great-grandchildren.

An obituary notice appears elsewhere in this issue.

Marriage License Issued

A marriage license has been issued in St. Louis to William N. Kuehnel, and Marcia K. Walker, both of Granite City.

Rotary Hears Talk On YMCA's World Program

Emphasis on the YMCA's "World Service Program" was made by Dan Smith, local YMCA program director, who was guest speaker Tuesday at the Granite City Rotary Club luncheon meeting at the "Y."

Aiding in the presentation was another guest, H. D. Karandjeff, local banker and president of the YMCA board and member of the YMCA International Committee.

In his talk, Smith said the YMCA is active in 28 countries and that during 1962 the program distributed $1,900,000 to the countries. The 1963 World Service Program goal is $3,325,000 to provide scientific physical education projects throughout the world.

A film, "Youth Are These," narrated by Art Linkletter, was shown, outlining the work of the program and the work projects of teenage YMCA members who earn over a half-million dollars annually. Daniel House was program chairman.

James Lewis announced that 48 more homes are needed for house boys of the Beloit, Wisc., YMCA Boys' choir that will visit Granite City while giving a program at the Rotary International convention in St. Louis next month.

Farmers Reject Controls Four-To-One In County

Farmers in Madison county voted 1062 to 260 against federal controls, joining farmers throughout the nation in rejecting the wheat program in Tuesday's referendum.

In Chouteau-Nameoki townships the vote was 21 yes and 105 no.

Bad luck often gets blamed, when lack of common sense should.

New Rating Sought

hose drier and washer will be obtained and additional fire hydrants will be installed.

A further advance to an A-plus rating in some of the fire district is possible if the Mitchell water district constructs a proposed tower, he added. He compared the A designation to a 9 rating, noting that most incorporated cities have 6 to 8 ratings. Granite City, Madison and Venice have 6 ratings. Lower ratings recognize preparedness to cope with fires and bring lower fire insurance costs to policyholders.

Noting that many unincorporated area fire districts already have higher tax rates than Mitchell, Sparks said it is planned to use only the rate that proves necessary, not the 25-cent maximum. Current rate of the Long Lake fire district is 10 cents.

$2115 For Fire Calls

Members of the volunteer fire department receive $3 for each fire they answer, and payments for fire services in 1961-62 totaled $2115.

Rent amounted to $1920, parts and repairs $1385, new equipment $1385, trustees' salaries $1000, insurance for trucks and firemen $681, supplies $484, convention and fire college expenses $450, telephone costs $399, attorney fees $352, death assessments $211, gasoline and oil $120, trustees' and firemen's dues $69, truck inspection $6, badges and keys $8, and miscellaneous, $68.

Income consisted of $7602 in Chouteau township taxes, $1504 in Edwardsville township taxes and $132 in check refunds.

The district's newest truck holds 750 gallons of water, while the other two hold 500 gallons each. For purpose of insurance ratings, trucks over 10 years old are not recognized.

Madison Teachers

(Continued from Page 1.)

year will be reduced from 12 to 11 months.

Coaches' Pay

The board also approved the following additional pay for coaches:

High school football, head coach, $600, assistant coach, $350, and freshman coach, $300; basketball, head coach, $750, assistant coach, $450, and freshman coach, $350; baseball, head coach, $400, and assistant, $300; track coach, $400; cross-country coach, $10; tennis coach, $300; and elementary coaches, $750.

An additional $50 monthly was approved for the head teacher at Madison high school.

Total cost of the increases will be about $23,945, including $22,145 for teacher salaries, without the addition of new teachers, Brown said.

Financial Plans

The board plans to finance the raises by transferring $21,000 paid from the educational fund utilities account to building fund payment for the 1963-64 year.

A law permitting the change was passed two years ago because of the financial drain being made on the education fund in all school districts, the superintendent said.

The transfer "will permit us to maintain a $51,000 balance in the educational fund instead of $30,000 as of June 30, 1964. A better tax collection than the one experienced this year will add to this balance, which should always approach the $74,000 figure."

Brown recommended that the building fund tax rate be increased to its legal maximum of 25 cents, compared to the present rate of 15.68 cents, which would pay for increased charges in the building fund.

He also recommended that $14,000 now paid for fuel from the educational fund be considered as another possible charge to the building fund in 1964-65.

Tax Settlements

A balance is necessitated, since the fiscal year starts July 1 but the first tax settlement is not made usually until late August, with no state aid in August or September, Brown said, adding, "We may have to make a loan for a few weeks," he said.

The teachers' negotiating committee had asked for other benefits which were not approved. They included extension of accumulated sick leave, more clerical help, payment of Blue Cross and Blue Shield by the district and granting leaves of absence.

Porter Cawley, federation president, asked the board to change its policy to permit leaves of absence for maternity and to permit teachers time to study for doctorate degrees.

Higher Plane

Brown said he would not expect a teacher with a Ph. D. degree to want to return to the Madison district. "I would expect them to do something on a higher plane. Theres' nothing to warrant a Ph. D. degree here at the present time."

Cawly felt that the current policy on maternity leave jeopardizes a teacher's tenture, but Brown said that if the teacher returns, she would be placed at the proper level determined by her length of service in the district.

Other points such as attendance at PTA or mothers' club meetings and clarification of clerical and secretarial duties, were left to the teachers and their principals.

Brown Commended

Mrs. Addie Darden, chairman of teachers salary committee said terms of the agreement were satisfactory to the teachers. She said they have confidence in Brown and commented the U. S. are attempting to obtain the same relationship that has existed in Madison for years.

Brown replied that any credit should go to the school board, which sets the policies, but John Bellcoff, board president, noted that a high official of the teachers' federation referred to Brown as one of the best superintendents in the country in regard to teacher relations.

State Aid

In another financial discussion Brown said the Illinois School Board Association is urging its members to contact their legislators to support a bill to increase state aid from $250 to $297 per pupil. He said the bill received almost unanimous approval by the education committee of the House, but it faces difficulty in the Senate and, if passed, probably would be vetoed by the governor.

He said the cost would be about $48 million, but that the state could meet this and "forget other frills legislators want for political reasons."

Most districts in the state are faced with having to ask the people to vote for additional taxes, the superintendent said. "If this is not passed, or if it is vetoed, it would show they have no pity on the local taxpayer."

'Action Patrol' Makes 423 Arrests In Area

The state police "action patrol" has tallied 423 arrests in a week's time, it was reported this morning by State Police Capt. Emil Toffant, who commented there has been a noticeable drop in the number of traffic mishaps in Madison and St. Clair counties.

The 12 special troopers began last Thursday to patrol U. S. 67a in Madison county and Route 50 in St. Clair county because of the high increase in traffic fatalities this year.

Madison Collision

A collision at 9:10 a.m. yesterday at 1024 Madison avenue damaged the right front of the northbound car of Margaret Michels, 1728 Fifth street, Madison, and the left rear of the auto of Joseph Kroszer, 1203 Grand avenue, who was pulling away from the curb.

Fishing Tackle Stolen

The theft of a tackle box and four rods and reels from her parked auto was reported to police this morning by Betty Caveness, 2601 East 25th street. She said the auto was parked in front of her home.

A clear conscience is a good testimonial—it's worth more than a dozen character witnesses.

PRESS-RECORD SPORTS

35-Plus Games Won By GC Trust Bank, Post 1300 Monday

Granite City Trust & Savings Bank, batting 14 players in the first inning, bombed Club Delmar 18-8 and Altwood Fuel held off VFW Post 1300 6-4 Monday night in games which opened the 35-Plus Slow Pitch Softball league season at Wilson Park.

Trust Bank pounded out 22 hits, including four by Bernie Dennison, and won the game in the first with 10 runs. Ollie Jacobsmeyer pitched five-hit softball to pick up the win. Harold Schmitz was the loser.

Howard Champion's triple drove in two of three first-innings runs for Post 1300 in the first game. Four singles and a walk got three more across in the fifth for the winners. Altwood scored two in the fourth and then threatened with single runs in the sixth and seventh.

Ed Camper, who gave up 10 hits, was the winner. Paul Thompson, touched for 11 safe blows, took the loss.

SWC Track Meet Should Be Battle Of Also-Rans Behind State Cinder Champ Alton

It is a foregone conclusion that Alton high school, fresh from winning its first state prep track title, will have its own way at Parsons Field in East St. Louis tomorrow evening during the running of the Southwestern Conference track and field meet.

The Redbirds are defending champions and, in sheer numbers, have the power to roll over anything the other conference schools have to offer this spring. Alton proved that point in Champaign last weekend by winning the state championship without taking an outright first place in any event.

As in 1962, the Redbirds' chief antagonists should be members of the East St. Louis squad, runners-up last spring with 74 points. Alton finished with 92½.

The battle for third place tomorrow should be between Belleville, Collinsville, Edwardsville and possibly Granite City, dead last in 1962.

Only one record holder will compete tomorrow. He is Alton's George Hunt, who shattered Steve Gallauer's 27-year-old 440-yard mark last spring, but appears to have more of a chance to set a new half-mile standard this year.

3-Way Battle Possible

Interesting battles in the weights could develop between Granite City's Joe Hiles, Alton's Paul Economides and Edwardsville's Bob Hoskins, who have taken turns defeating one another throughout the season.

Hiles has one discus throw this spring which tops the conference record, but has not been able to reach the 170-foot plateau of late.

Andy and L. Johnson (no relation) of Alton pose threats to Warren Hampton's records in the hurdles. Both also are members of Alton relay teams which are capable of new marks in the 880 and mile baton events.

Richard Swift, Alton high jumper who was a surprising second in the state finals, is yet another Redbird who adds unmatched depths to the Alton club, which also will defend a team title in the junior division. Preliminaries tomorrow begin at 4:30.

Southwestern meet records:

100—Eddie Youngblood (E. St. Louis, 1961), B. B. Gater (Alton, 1960), Joe Budde (Belleville, 1945) and Jim Hight (E. St. Louis, 1941), 10.0.

220—Eddie Youngblood (E. St. Louis, 1961), 22.3.

440 — George Hunt (Alton, 1962), 50.4.

880—Tom Dunlap (Edwardsville, 1957), 2:00.8.

Mile—Jerry McFadden (Belleville, 1959), 4:28.0.

120 high hurdles — Warren Hampton (E. St. Louis, 1961), 14.0.

128 low hurdles — Warren Hampton (E. St. Louis, 1961), 19.6.

High Jump — Augie Schiller (Collinsville, 1962), 6-4¼.

Broad jump — John Kevo (Madison, 1940*), 23-3½.

Pole vault — Mike Hunter (Alton, 1959), 12-5¼.

Shot put — Bob Richardson (Alton, 1959), 56-4.

Discus — Cloyd Webb (E. St. Louis, 1959), 170-10.

880 relay — Alton (Jackson, Randol, A. Johnson and L. Johnson, 1962), 1:29.2.

Mile relay — Alton, (Davis, Wilson, Pike and Hunt), 1961.

(*) No longer in Southwestern Conference.

Millie & Mickey's, Rome & Roy's Win Classic Loop Openers

Rome & Roy's downed Granite City Steel Credit Union 4-2 and Millie & Mickey's topped Madison Bowling Club 7-2 Tuesday night in opening games of the Classic Softball league at Wilson Park.

Leo Six pitched two-hit ball for Millie & Mickey's, striking out nine and driving in two of the winners' runs with a double in a four-run second frame off loser Evans Manik, who gave up seven safeties.

Rome & Roy's spotted the Credit Union a 1-0 lead in the second and then scored three times on only two hits in the third and added another run in the seventh on a single and three-base error.

A two-base error and single gave Credit Union its final run in the fifth. Jim Williams, who allowed four hits, was the winning pitcher. Jack James, who was touched for five hits, took the loss.

Tonight at Wilson Park, three other Classic league teams open their seasons. Union Starch will meet Second Baptist at 7 o'clock and the GC Oilers are scheduled against Madison Bowling Club at 8:15.

Kurth To Direct Judo At YMCA; Summer Classes Slated For June 15

JUDO INSTRUCTOR at YMCA effective June 15 will be Bob Kurth, a judo enthusiast for the past 18 years.

Bob Kurth, Wellston, Mo., widely known as the "father of St. Louis judo," will become YMCA judo director and instructor here June 15, it was announced this week by the "Y" board of directors.

A longtime resident of the metropolitan area, Kurth is employed as a printer with the Weiss-Pettus Co., St. Louis. The father of seven children, he recently completed his 18th year in judo and his 14th year as an instructor in the sport.

His interest in judo began while he was serving with the Navy amphibious forces in Okinawa in the 1940s, and his judo career has been uninterrupted since then. After his return to the U. S., he continued his training at the Chicago Yudanshakai.

St. Louis' first second-degree black belt recipient, Kurth was originator of the first judo club in the St. Louis area. In 1952, he took the first St. Louis team to a sanctioned meet and returned from Chicago with the first-place trophy. In 1955, he was host to the first sanctioned tournament in St. Louis.

The YMCA setting here will not be unfamiliar to Kurth, who has taught judo at the St. Louis North Side YMCA for eight years and at the Downtown YMCA for seven years. He recently completed two years of instruction at the University City adult evening school. His judo experience also includes being the originator of the first commercial judo school in St. Louis.

A veteran of 12 years of regional and national judo competition, Kurth currently is secretary of the Central States Judo Association, controlling organization of midwest judo. He at present is the instructor for the Baden Black Belt Judo club.

At the "Y", he will replace Bob Whelan, who has resigned and plans to teach at a commercial judo school in St. Louis, it was announced.

Milton Reinhardt, YMCA physical committee chairman, said, "We are highly pleased to have been able to secure the services of such a well-known instructor of proven capabilities as Bob Kurth has shown himself to be. We have confidence in his ability to maintain the past standards and contribute further and accelerated growth to the YMCA judo program."

Expanded "Y" judo plans include the opening of summer classes June 15 for adult men, adult women, teenage boys, teenage girls and a group designated as the "youth class."

Registration for the summer instruction is being accepted at the YMCA office.

Started Six Years Ago

Whelan was the instructor when the YMCA initiated its judo program six years ago. He is president of the Granite City Judo club and vice-president of the Central States group, both of which have headquarters at the "Y." He was formerly YMCA summer program director.

The status of a Yudanshakai ranking was granted Granite City on a year's probationary period earlier this year. The title signifies centralization of control over recognized sport judo in a designated area—in Granite City's case, all or parts of five midwestern states.

Whelan, who is married and resides in Granite City, will continue to teach English and social studies at Coolidge junior high school. He and Kurth are friends and frequent judo contenders, and both hold the judo rank of ni-dan.

Shrine Club To Take Youngsters To Rodeo

The Tri-City Shrine Club will sponsor 100 under-privileged children for attendance at the Shriners' annual rodeo to be staged at the Belleville fairgrounds June 14-16, it was announced today by Louis Spohr, secretary.

Spohr said anyone caring to sponsor an underprivileged child from the Quad-Cities may contact him at home, 22 Miami court.

Two Doubleheaders For Park AA Team

The Granite City park district's Class AA softball club will play a pair of doubleheaders with out-of-town opponents this weekend, Manager Babe Champion said today.

On Saturday, the park nine will meet Altwood Fuel at Roxana, the first game to begin at 7:30. On Sunday, the club returns to Wilson Park for a 7:30 p.m. doubleheader with Schumacher Funeral Home of St. Louis, formerly Seco's.

Bi-State Plans To Buy Parks Airport Advanced

The Bi-State Development Agency is expected to advance plans for the purchase of Parks Metropolitan Airport at Cahokia during a meeting today in St. Louis.

The agency is to receive an allocation of $1,037,475 from the Federal Aviation Agency, according to Rep. Melvin Price (D, East St. Louis), to purchase and improve the 500-acre airport and an adjoining 300-acre tract.

Illinois may appropriate $275,000 in addition to the federal funds. An option on the de-activated airport is held by the Civil Memorial Airport Association. After Bi-State acquires the property, it is to be leased to St. Louis for use as a secondary airport. The city wants assurance that the property will not be taxed.

McDonnell Aircraft Corp. has leased part of the airport for ground tests of its two-man Gemini space capsule.

The agency previously submitted a request to the FAA for the allocation.

The Bi-State board also was to hold an extensive review of all matters pertaining to the operation of its new transit system.

DOWNSTATE FISHERMAN'S GUIDE

By C. A. FRAZER

It's cane-pole time in Southern Illinois and the hook-and-bobber enthusiasts are reaping the harvest of bluegill, crappie and catfish. For the second straight week the spin, fly and bait casters are finding it hard work to wet the stringer while live bait users are filling their live nets with pleasing regularity.

Water temperatures in the lakes of southern Illinois are close to 70 degrees which means most varieties of fish are in the spawning mood.

Crickets, roaches and garden worms are favored by fish and fishermen alike for bluegill, with exceptionally nice-sized fish, "as big as a horseshoe" coming to the boat docks. Catfish, running to two pounds, are entertaining bank fishermen at Devils Kitchen lake, and have an appetite tuned to the small frogs that can be captured by the agile bait hunter on the grassy shores. Trot liners are getting results with worms or shrimp.

Bass fishermen are working the standing timber at Little Grassy and Devils Kitchen lakes, using deep running lures. They say the bass apparently have left the grassy shorelines and cut banks.

The lake-by-lake report:

HORSESHOE LAKE—(Southern Illinois) Bluegill, large and hungry, on roaches and crickets, caught in the buckbrush in shallow water. Crappie still and small, on minnows and bucktail jigs. Trot lines producing catfish. No bass reported.

CRAB ORCHARD LAKE — Crappie the best bet, several running to 2 pounds. Bluegill also biting well on crickets, worms and roaches; little interest in flies or popping bugs. Bass fishermen are roaring the lake trying to locate new hot spots. Don Grisham of Marion, fishing out of Pirate's Cove dock, got a 5-pounder at 8:30 p.m. May 16. A teen-age Carbondale boy, fishing from the end of the Playport dock, caught two, identical 5-pounders.

LAKE MURPHYSBORO — Mike Heninger and Don Pellegreni, both of Murphysboro, caught 6-pound bass during the week. Joe Congiardo jr., also of Murphysboro, brought in two 4-pounders Saturday that had spawned and were "lean as race horses" according to dockside spectators. They fell victim to a Lazy Ike plug. Bluegill at the lake are starting to spawn.

DEVILS KITCHEN LAKE — Best string of the week was one of 30 bass taken by Herman Couch and two friends from Granite City. Each had his limit, the largest a 4-pounder, taken on Devils Horse and Shannon Twin-Spin lures fished in the timbered areas of the lake. Bluegill are hungry and running nice size.

LITTLE GRASSY LAKE — Heavily fished during the weekend, Little Grassy yielded large strings of bluegill and green sunfish to the cane polers. Crappie were running small. A few bass were taken. No lunker report was available at mail time.

1250 GC Youngsters Participate In Elementary Sports Day Competition

(Picture on Page 40)

Approximately 1250 fifth and sixth grade students in Granite City public schools participated in the district's annual elementary sports day competition Monday and Tuesday at Frohardt school.

The youngsters were winners in eliminations conducted last week at 14 elementary schools and competed in three groups Monday and Tuesday according to size and age.

Ribbons to place winners in track and field events were presented following competition each day. Girls' events were conducted Monday, with awards made by principals Don Kopp of Nameoki school, Owen Humphrey of Maryville and Harry Marshall of Frohardt. Ribbons to boys' place winners Tuesday were presented by principals Art Menendez of Lake school and Lee Reid of McKinley.

First-place winners in groups I, II and III:

50-yard dash — boys: Larry Knox, Niedringhaus, 7-0; Dennis Kent, Mitchell, 6.9; Billy Cook Stallings, 6.9. Girls: Mary Lehne, Marshall, 7.7; Nina Caschetti, Webster, 7.1; Jackie Saiter, Maryville, 7.2.

Standing broad jump—boys: Gary Snieed, Stallings, 80 inches; Dick Duft, Frohardt, 81½; Bob Coleman, Marshall, 81¾. Girls: Kathy Carney, Logan, 75; Linda Kontz, Frohardt, 76; Cheryl Harper, Maryville, 73.

Running high jump—boys: Dennis Laborsy, Marshall, 48 inches; Ed Milton, Niedringhaus, 50; Bill Cook, Stallings, 53. Girls: Sheryl Harris, Maryville, 45; Elaine Clark, Washington, 46; Linda Cox, Emerson, and Brenda Duncan, Maryville, tie, 50.

Shuttle run—boys: Gary McDonald, Stallings, 9.5; John Pagopian, Frohardt, 9.4. Girls: Karen Blaswell, Logan, 10.0; Kathy Pratt, Frohardt, 10.0; Judy Line, Frohardt, 9.9.

Softball throw—boys: Rick Talley, Frohardt, 134-0; Dennis Kent, Mitchell, 161-6; Ronnie Smith, McKinley, 173-6. Girls: Laura Brazel, Logan, 99-6; Pat Oden, Washington, 110-0; Joy Bailey, Stallings, 120-0.

600-yard walk-run—boys: Mike Christopher, Webster, 1:58; Dennis Watson, Frohardt, 1:55; Gary Simpson, Marshall, 1:55.5. Girls: Debbie Hudson, Niedringhaus, 2:12; Debbie Melton, Wilson, 2:12; Janet Heiman, Nameoki, 2:10.

Shuttle relay—boys: Mitchell (Dennis Kent, Ronnie Owens, Randy Blackard and Dale Waggoner). Girls: Washington (Kathy Sears, Linda Clutts, Wanda Grizzard and Elaine Clark).

Teachers serving as timers, starters and officials for the sports day were Mrs. Elizabeth Kettler, Emerson; Miss Leigh Heller, Frohardt; Larry Burkhartt, Lake; Robert Gauhatz, Logan; Ira Winn, McKinley; Miss Claudette Beamer, Marshall; Miss Margaret Roberts, Maryville; David Beiser, Mitchell; Ronald Coleman, Nameoki; Pete Robinson, Niedringhaus; Miss Anna Johnson, Stallings; William Kosky, Washington; Alan Brueggeman, Webster; and Bob Stegemeier, Wilson.

Olympic Gymnast To Present Clinic, Program Tomorrow At Coolidge JHS

GARLAND O'QUINN, Olympic gymnast who has been named head gymnastics coach at Eastern New Mexico University, will present performances for physical education teachers and the public Friday at Coolidge junior high school.

Olympic and Pan-American games gymnast Garland O'Quinn, currently assistant gymnastics coach at Southern Illinois University and future coach at Eastern New Mexico University, will demonstrate the sport for physical education instructors in Madison and St. Clair county schools and the public in two appearances here tomorrow.

Winner of a gold medal on the side horse at the 1963 Pan-American games, O'Quinn will present a demonstration of gymnastics as it can be applied in teaching, plus films of the various gymnastics exercises, for physical education instructors and other interested persons at 4 p.m. tomorrow at the Coolidge junior high school gymnasium.

At 8 p.m., he will present a public performance at the CJHS gym. It will include exercise, free exercise, vaulting and work on the side horse and parallel bars.

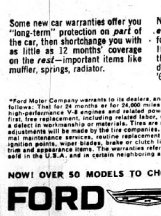

The program is open to the public free of charge and will include demonstrations by the Granite City Park District Flyers, a young gymnastics group tutored by Pete Robinson, ranging in age from five to 15.

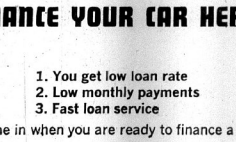

O'Quinn, a 1958 graduate of the military academy at West Point, represented the United States in both the 1959 and 1963 Pan-American games and in the 1960 Olympics at Rome. He will become head gymnastics coach at Eastern New Mexico this fall.

WHO WARRANTS THIS BIG ITEM FOR 2 FULL YEARS OR 24,000 MILES?
Ford, that's who—read the fine print!
Some new car warranties offer you "long-term" protection on part of the car, then shortchange you with as little as 12 months' coverage on the rest—important items like muffler, springs, radiator.
Not Ford. Ford's warranty* covers every part of the car—and runs for a full 2 years or 24,000 miles. It's proof of our confidence in the cars we sell. Come see, come drive the great new quality-built '63 Fords today.
*Ford Motor Company warrants to its dealers, and its dealers in turn warrant to owners, as follows: That for 24 months or 24,000 miles (2 months or 4,000 miles on 427-cu. in. high-performance engines) and related driver train components, whichever comes first, any part manufactured, including related labor, will be made by dealers of any part with a defect in workmanship or materials. There are not covered by this warranty: routine adjustments will be made by the tire companies. Owners will remain responsible for normal maintenance services, routine replacement of parts, such as filters, spark plugs, ignition points, wiper blades, brake or clutch linings, and normal deterioration of soft trim and appearance items. The warranties referred to herein are applicable to products sold in the U.S.A. and in certain neighboring areas.

Granite City Marches To Staunton Behind 'KP Boys'

Win Roxana Regional Behind One-Hit Mound Efforts By Papp And Kofahl

Service veterans will fondly recall that the letters K and P, when placed side by side, signify kitchen police.

But to the Granite City high school baseball fan, the same letters stand for Kofahl and Papp, Terry and Charles, that is, who did some mopping up of their own this week at Roxana.

The Warrior hurlers pitched back-to-back one-hitters against Alton and Southwestern of Medora to boost Granite City to a regional diamond championship and into the first game of the Staunton sectional next Monday afternoon against Edwardsville.

Papp breezed through Alton's lineup Tuesday afternoon, allowing one infield hit and striking out five on his way to an easy 6-0 shutout. Kofahl, late of no-hit fame, worked with no margin for error yesterday and finally bested little curveballer Fred Weese of Southwestern 1-0 in a tingler that was a fitting climax to regional play.

The championship game was not decided until the final frame, although the Warriors had an opportunity to break it up one inning earlier.

Weese, who had GCHS batters swinging from the heels—and missing—with a tantalizing curve ball, gave up only his third hit of the game when Marty LeVault, back in the lineup after missing all previous tourney play with a chipped bone in his thumb, legged out a grounder to deep short in the top half of the seventh.

Bloop Hit Wins It

Ron Yates ran for LeVault, and Kofahl moved him along with a sacrifice bunt. Yates took third when Al Taylor flied deep to left.

Dick Frizzell followed with the game-winning hit, a pop fly single that dropped between the second baseman and centerfielder.

Kofahl, who appeared even sharper than when he pitched a no-hitter against Roxana in district play, did not allow a baserunner until he walked Sam Kahl in the fourth with two outs. He fanned Ken Watson to end the mild threat and, in fact, wrapped nine straight strikeouts around that one base on balls and totaled 14 for the game.

Tom Kahl ended Terry's bid for another no-hit effort with a solid smack to right-center. But Kofahl got Vermon Gray on an easy pop fly to first baseman Al Taylor to end the inning.

Watson Picked Off

The third—and final—Southwestern baserunner did not last long. Watson coaxed a walk with one out in the bottom of the seventh and GC holding its 1-0 lead.

Kofahl caught him standing flat-footed with a quick pickoff move, and Watson was run down and tagged out by Taylor. Dave Orban struck out to end the game and Southwestern's season.

The Warriors got two breaks in the sixth, but were unable to take advantage of them.

Frizzell was safe on a slow roller to deep short when the throw pulled the first baseman off the bag for the game's only error.

Rich Lee sacrificed and Terry French struck out but reached first when Weese's pitch got away from catcher Orban. Bob Ketner was intentionally passed to load the bases with two out, but Bob Karandjeff's well-hit ball was right at the second baseman for an easy putout at first.

Tigers Win Easily

Edwardsville, GC's Monday opponent at Staunton, had a much easier time of it in finals of the Breese regional, pounding Carlyle 16-6 behind 10 Tiger hits and seven errors by the losers.

Granite City and Edwardsville are 1-1 this season, having split a pair of Southwestern Conference games.

Outfielders Rest Tuesday

Alton batters could not solve Papp's five fastball Tuesday afternoon. Keeping his pitches down and mixing in an occasional curve, Charlie gave up only one hit, Dennis Wooff's first-inning ground single on the infield.

Warrior outfielders did not handle a single chance all afternoon, and Papp got eight Redbirds on strikes in Granite City's third straight win over Alton this spring.

Papp walked six, but pitched his way out of what little trouble he was in behind some flawless work by the Warrior infield, which turned over the game's only double-play in the sixth and handed all its chances perfectly.

Unable to solve the slants of starting pitcher Lennie Jacobs in the early innings, Granite City finally got to him in the fourth.

Bob Ketner lashed a triple down the line in right and Bob Karandjeff drove home the first run of the game with a long fly-ball double to right center.

Jacobs faltered, issued a walk and the Birds called on Bob Jones, who retired the side without further damage in the fourth.

In the fifth the Warriors scored a second run without a hit when Jones issued free passes to Al Taylor and Rich Lee. Glen Hoffman moved the runners along with a sacrifice bunt and Terry French was intentionally walked to load the bases. Ketner then lofted a sacrifice fly to center, scoring Taylor.

Warriors Bat Around

The Redbirds pinchhit for Bob Jones in the bottom of the fifth, and it proved to be a mistake. His successor, Tom Jones, was treated roughly in the sixth as Granite City batted around and scored four runs.

Papp got the inning started with a walk. Ron Dillard sacrificed and Joe Hauptman blooped a single over second. Al Taylor followed with a long triple to center, scoring two runs, and scored himself on Lee's sacrifice fly.

Hoffman drew a free pass and French was hit in the leg by a pitched ball. The Alton battery's troubles continued as Hoffman swiped third and then scored standing up on a passed ball.

Tourney Sidelights

Coach Joe Fedora rewarded his regional champions with a day off today. The Warriors, who have won eight straight games and are 21-8-1 for the season, will hold regular practice Friday afternoon and Saturday at 10 a.m.

* * * *

Kofahl and Papp have accounted for 14 of the team's 21 victories between them. Kofahl is 8-3 and Papp 6-2 for the season. Papp is the probable starter against Edwardsville Monday.

* * * *

Granite City's last regional baseball championship was won in 1948, the same year that Coach (now GCHS principal) Lawrence McCauley's club won the state title.

* * * *

At least three major league baseball scouts were counted among spectators who watched the three days of play at Roxana.

* * * *

"We seem to have everything going for us," Fedora said after yesterday's victory. "Good pitching and good defense seem to go hand in hand. If we keep this momentum we're going to hang right in there."

* * * *

Winner of next week's four-team sectional is paired with the LaSale-Peru sectional champion on May 27 at Bradley University in Peoria in a state tourney first-round game.

* * * *

Staunton and Springfield Griffin are the other two teams which have reached sectional level play at Staunton. Staunton blanked Litchfield 3-0 at Nokomis, while Griffin downed Jacksonville 14-3 at Jacksonville in regional title games.

Park Club 4-0 After Winning 2 From Chiefs

The Granite City park district swept a doubleheader from the visiting Alton Chiefs here last night in Class AA softball play to run its record to 4-0 for the young season.

Howie Lamb tossed a three-hit shutout to pick up his second win of the year in one game, 2-0, and Carrol Gleason allowed just four hits in winning a 4-2 decision in the other.

Jim Bain and Dan Reilly drove in the two park district runs in Lamb's shoutout victory. Both were scored in the fourth inning, when Jerry Parmley was hit by a pitched ball and Jack Scarborough singled. Both runners advanced on Babe Champion's sacrifice bunt and scored on Bain's grounder and a fly ball by Reilly. Lamb struck out five, including the side in the third inning. Cliff Wisdom, who pitched the first 5⅔ innings, was the loser.

Marv Brokaw's bunt single, a double by Art Borchers, Reilly's sacrifice fly and a ground out scored two runs in the third inning of the second game.

The Chiefs tied the score at 2-2 in the fourth, but Jim Bain's double and an RBI single by Leon Chappel put GC ahead to stay in the home half of the inning.

The park team's insurance run scored in the fifth when Borchers was safe on an error, Reilly singled and Scarborough grounded into a fielder's choice.

Glisson retired the last nine batters he faced, and beat Bob Bryant, who gave up six hits.

Programs By Japanese Judo Experts Tonight And Friday At YMCA

Black belt instruction and competition featuring Shurzo Murata and Tadashi Diago, coaches of the Japanese Olympic judo team, will be features of a benefit program at 7:30 tonight at the YMCA.

Diago and Murata arrived here today. They also will conduct a Friday night workout for brown and black belt ranks from this area. A banquea in their honor, scheduled for this evening, has been canceled, however.

The judokas, both high-ranking black belts in Japan, are in the midst of an American tour to raise funds to help finance the United States team in the 1964 Olympics. A $1 admission charge is in effect for both the Thursday and Friday night sessions at the YMCA.

Reward For Stolen Dogs

Virgil Layton of the Horseshoe Lake Rod and Gun club advised Madison police that he is offering a $100 reward for information leading to three beagle dogs, one female and two male, stolen near the club by a man in a station wagon at 9 a.m. Tuesday. The dogs are black, white and tan.

GC Democratic Club Nominates Officers

The Granite City Democratic Club held a monthly meeting last night at the Rose Bowl.

Harold Hillmer, president, was in charge and plans for the annual picnic were made. It will be held June 9 at the Locust Hills Country Club in Lebanon, Ill.

New officers were nominated as follows: Vasil Eftimoff, president; Peggy Burch, and Ed Knobbe, first and second vice-presidents; John Kraynak, treasurer; Mrs. Eli, recording secretary; and Mrs. Ann Bienicki, corresponding secretary.

The executive board will consist of Richard Allen, Ernest Eli, Harold Hillmer, Bill Williams, Weldon Burch, William Dallas, Henry Pieper, Tom Nesbitt, Bob McCormick and Frank Fuzessery.

A membership committee was appointed and those serving will be Ernest Eli, chairman, Vasil Eftimoff, Mrs. Mary Jane Eli and John Kraynak. Bill Williams and Nelson Hagenauer are to be members of the auditing committee.

The speaker of the evening was Richard Allen, who discussed the advantages of having a board of election commissioners.

Most people know when they have said enough, but only a few have the sense to put the lid on.

City Accepts Bids For Summer Street Work

Bids for the annual summer maintenance program for arterial streets were accepted by Granite City council members Monday night and will be submitted to the state highway department for approval.

Midwest Blacktop Roads, Inc., East St. Louis, was the low bidder for 96,100 gallons of bituminous material to be applied at a cost 17¼ cents a gallon; 5500 gallons of road oil at 14½ cents a gallon; 825 gallons of liquid asphalt in metal drums at 52¼ cents a gallon; and seal coat aggragate, 4215 tons at $5.33 a ton.

All of the materials are to be applied at the prices quoted. It was noted the liquid asphalt price greatly exceeded the 20-cent estimate by the engineers and may be refused by the state.

Other street material bids accepted were 350 tons of bituminous patching material at $8.50 a ton by Maclair Asphalt Co., East St. Louis; 23½ tons of asphalt PAF2 at $39.15 a ton by Standard Oil Co., St. Louis; and 310 tons of salt in 100-pound sacks at $18.10 a ton by Gunther Salt Co., St. Louis.

Auto Accident

Involved in a two-car auto accident yesterday evening at 24th street and Washington avenue were vehicles of Kenneth Tipton, 23, of 1305 Iowa street, Madison, and Clifford Williams, 2424 Madison avenue. Police said no one was hurt.

City Will Continue Clearing Home Sewers

Pending the adoption of a "hard and fast" policy on the opening of clogged sewer lines to individual homes, Granite City council members Monday night authorized the street department to carry on the program.

The motion would permit the street workers to work on private sewer lines only if Supt. of Streets William Wartield determines the clogging is due to a backup of the city's sewer system.

It was pointed out that during high water stages, city sewers backflow into the individual service connections leaving deposits of residue which often clog the lines. The crews can determine the cause of the clogging if a yard vent is available for inspection.

The policy is to clear the individual line only if it is not necessary to excavate.

Welder's Spark Touches Off Spilled Fuel Oil

A spark from a welder's torch outside the rear of Edison Tool & Die Co., 21st street and Edison avenue, set fire to kerosene or fuel oil spilled around a barrel of the fluid about 11:35 last night.

Firemen said workmen had the flames extinguished when they arrived, and no damage was reported.

Allow a little success to turn your head and you'll be going backward in the future.

Referendum Sought For Detention Home

The recalled March term circuit court grand jury, meeting Monday in Edwardsville, suggested the county call a bond issue referendum for construction of a juvenile detention home.

While no written report was made by the jurors, the need for a juvenile home was stressed to county officers and it was recommended the referendum be set for the November 1964 general election.

The grand jury had reported at the conclusion of the March term on the conditions at the county jail, recommending a new penal building. However, additional time was needed to study the detention home needs.

Execution Date Set For York, Latham

A June 20 execution date has been set by the Kansas supreme court for two servicemen who killed seven persons, including two in the Quad-Cities area, in a cross-country crime spree in 1961.

The convicted killers, George Ronald York and James Latham, were denied an appeal by the U. S. Supreme Court last week. They were sentenced to death for the slaying of a Kansas man. Their other victims included Martin Drenovac, 69, operator of a service station west of Mitchell, and Albert Reed, 58, of Litchfield, whose body was found near Glen Carbon.

VISIT DAUGHTER IN TEXAS

Mr. and Mrs. William Ogden have returned from Dallas, Tex., where they spent the past week visiting their son-in-law and daughter, Mr. and Mrs. James Ridings, and family.

While in Dallas the Ogdens attended a meeting of the Pearl Ritchie Art Club of which Mrs. Ridings is a member and at which she had several exhibits of her work in hand painted china.

SHRINE WILL HONOR "DADS"

Gabriel Shrine 78, White Shrine of Jerusalem, will honor "Dads" in connection with a stated meeting at 7:30 this evening at the Masonic Temple.

Mrs. Ola Downing is Worthy High Priestess of the Shrine and William Pennock is Watchman of Shepherds.

RETURNS TO KOREA

Pfc. James L. Jones, son of Oscar R. Jones, 2441 Dewey avenue, left Monday to return to his base at Tunshushung, Korea, after an emergency leave to attend the funeral of his grandmother, Mrs. Anna Jones. Jones has approximately three more months to spend in Korea before returning to the United States. He entered service June 2, 1962, and is with the 538th Engineers.

City License Arrest

Venice police charged Vernon Huebner, St. Louis, driver for the Old Vienna Potato Chip Co., with having no city delivery license yesterday. He was released on $15 cash bond until a hearing.

Nameoki PTA Installation

Joe Hassler, president, presided as the Nameoki school PTA installed new officers at the last meeting of the year Tuesday evening. Ed Lurton gave the PTA prayer and he and Mrs. Evelyn Cross submitted reports.

The president explained questionaires recently sent to the parents. He noted that the majority indicated they thought dues should be increased; this will be voted on at the September meeting and, if accepted, will be added to the by-laws.

Mrs. Cross told of the PTA convention held in Chicago.

Hassler served as installing officer. New officers are Raymond Schubert, president; Walter Volkmar, vice - president; Olen P. Hermes, treasurer; and Mrs. Virginia Bresson, secretary.

The program was presented by Alfred Weider, safety coordinator of the Dow Metal Products Co. He used a dummy in his demonstration of resuscitation.

Miss Nelle Gibson's second grade room was awarded a gift for the largest number of parents attending. Mrs. Sue Champion was given the parents' award.

Donald Kopp, principal, said picnic plans are completed for May 28 at Wilson Park.

First grade students will visit the zoo in St. Louis today, sixth grade students will make a trip to Springfield, Ill., today and a variety show in which the students will participate is planned for May 29 at 7:30 p.m. at the school. There are 21 acts planned and sixth grade pupils will sing in the choir.

Kopp awarded Hassler a past president's pin. Refreshments were served by PTA fathers.

Sorority Installs Officers At Party

Epsilon Eta Chapter of Epsilon Sigma Alpha sorority entertained guests at a mother-daughter party last night at the Carriage House in Belleville and installed the following new officers: Mrs. Roberta Arbeiter, president; Mrs. Nancy Sabo, vice-president; Mrs. Lucille Trittschuh, secretary; and Miss Harriet Dix, treasurer. The installation was conducted by the retiring president, Mrs. Janice Bilello.

"Fashion Fantasies" was the theme of the party and the appointments were in keeping with the program, which included a fashion show and an appropriate reading by Mrs. Arbeiter. Games gram. Thirty-three were present.

AMVETS AUXILIARY ELECTS OFFICERS

Amvets Auxiliary, Post 51, held a meeting last night and elected new officers. Mrs. Bertha Macios was named president.

Nine were present and Mrs. Jo Ann McCord was appointed entertainment chairman. A joint installation of the Amvets and Auxiliary will take place June 2, and plans are made for a district meeting to be held here June 17.

The organization and the Amvets will take part in the annual Memorial Day services May 30 at 9:30 a.m. at the City Hall.

Refreshments were served after the meeting to both the women's and men's organizations.

DOW DIAMONDS HOLD MEETING

The Diamonds, a women's club at Dow Metal Products Co., held a dinner party and business meeting at Al's Steak House, St. Louis, last night, after which the 24 members attended a St. Louis television show and toured the studio of the station.

Hostesses were Linda Giger and Helen Cullop.

Boy Scout Troop 12 Holds Court Of Honor

Boy Scout Troop 12, sponsored by Niedringhaus school PTA, held a Court of Honor Monday evening. The meeting was conducted by James Parmley, committee chairman, and committeemen and Scout leaders were introduced. The scouts introduced their parents and Frank Draganich, institutional representative, presented the new charter for 1963.

All of the patrols took part in skits, and slides were shown of Camp Sunnen, the Lincoln pilgrimage in Springfield and the recent Tomahawk Trail hike. Scoutmaster Fred Hacke gave a report on advancement during the past six months and commended the boys for their efforts.

Assisted by Assistant Scoutmasters John Matras, George Motsegood sr., and George Motsegood, jr., Scoutmaster Hacke presented patches to those who made the 16-mile hike last week, and neckerchiefs to all those properly registered for this summer's session at Camp Sunnen.

Year pins and 35 merit badges were given out and the following awards were presented: Tenderfoot—Mike Harper, Ralph Evans and Donald Mathis; Second Class—Ricky Singleton, Garry Schmitz, Brad Griffith, David Bartels, Richard Weeks, Mike Rapoff, David Johns, Craig Maer, Mike Pekarik, David Whitecotton, Richard Hutchings, David Morgan and Scott Wilson; First Class—Garry Schmitz; Star—David Holmes, Bill Fulcher and Dennis Kilmer; Life—John Kozyak and Dennis Kilmer; Silver Palm to the Eagle—George Motsegood jr.; Assistant Sr. Patrol Leader—Dennis Kilmer and John Kozyak; Sr. Patrol Leader—Peter Maer, Charles Hacke and John Matras. Star and Life pins were given to the mothers of the boys receiving the awards and special recognition was given John Matras, Charles Hacke and Peter Maer, who recently passed the Eagle Board of Review and are to receive that coveted award at an Eagle Court of Honor in June.

Refreshments were served to approximately 100 persons after the meeting.

8 Quad-Cityans To Appear In 'Carousel'

Eight Quad-Cityans are in the cast of the musical production "Carousel," to be staged Friday and Saturday by the Collinsville Masquers "little theatre group." The Rodgers and Hammerstein Broadway hit has Mrs. Mildred Hoelscher of Granite City as choreographer.

Featured dancers in the second act ballet are Paul Brawley and Gloria Ziatz, both of Granite City, who also have other roles. Also slated to appear are Kenneth Jones, Richard McKinney, Bill Watson, Vance Lockridge, Alex Urban and Jim Swanick.

The performances are to begin at 8:15 p.m. at Webster school auditorium, 108 W. Church street, Collinsville, and tickets may be obtained at the door or from members of the cast.

City Disbursements For Fiscal Year Totaled $1,969,188

Expenditures by the city of Granite City during the 1962-63 fiscal year totaled $1,969,188, leaving a balance of $386,835 on April 30, including special funds, it was reported to the council Monday night by Comptroller John Dooher in his annual financial report.

Total expenditures included $140,420 of motor fuel tax funds for street projects, and of the balance, $61,178 was motor fuel tax money.

The report was referred to the Finance committee to begin work on the 1963-64 city budget.

Dooher noted that general fund disbursements totaled $1,-109,041, with a balance of $26,-508 in the 16 accounts on April 30. Expenditures from special accounts amounted to $860,146, leaving a $360,326 balance.

$370,500 Sewer Deficit

"Although we have a balance in the general fund of $26,508 and balances of $131,598 in the working cash fund, $60,909 in the parking meter fund and $220,084 in the sales tax fund, we are handicapped by having a deficit of $370,504 in the maintenance of sewers fund," the comptroller stressed.

"If this deficit of $370,504 did not exist, we would have sufficient funds from which temporary loans could be made to the general fund to take care of expenses, if necessary, during several months of the new fiscal year until distribution of taxes would be received.

"But as the situation is quite different due to the existing deficit, it will no doubt be necessary for the city to borrow money during June. It appears improbable that we will have a tax distribution in June as the tax books have not been received and it is indifinite as to when we will receive them." Dooher told the council in his annual report.

General Fund Tax Income

General fund tax income for the fiscal year was $831,351 or 75.3%, with receipts from licenses and other sources amounting to $272,607. Interest received on city funds temporarily invested amounted to $5250.

It was not necessary to transfer to the general fund accounts from special accounts during the fiscal year. However, there were disbursements from the special accounts for extraordinary expenditures, Dooher reported.

From the parking meter fund, $18,913 was spent to repair the Terrace lane roadway and $936 to eliminate a deficit for the contemplated Nevada avenue sewer project.

From the sales tax account, $13,344 was paid for track removal from 19th street, $609 for special sewer cleaning, $783 for paint striping on Madison avenue, $838 for liability insurance, $1076 for new radios for city equipment other than police vehicles, and $1515 for replacement of a manhole at 21st street and Edison avenue.

Other major items of expenses were two new trucks for the street department and a new pumper for the fire department.

While the city's general fund showed a balance at the close of the fiscal year, the balance was a slim $26,508, with only small amounts in each 16 accounts. None of the general fund accounts showed deficits on April 30 because of $124,100 in transfers made prior to the close of the fiscal year.

Breakdown Of Accounts

A breakdown of the accounts, showing total annual disbursements and the April balances, in that order, follows:

Fire department, $253,576 and $2230; water $15,993 and $2221; street department, $183,237 and $80; street lighting, $20,182 and $806; pumping station, $1977 and $1693; general government, $96,-497 and $3647; city hall, $31,079 and $417; police department, $243,389 and $1292; inspection department, $23,958 and $2503; election, $10,629 and $58; sanitation, $16,493 and $1611; interest and judgment, $16,917 and $734; dog catching, $12,895 and $916; contingent, $13,534 and $893; tax commissions, $19,233 and $6934; city planning, $1050 and $333.

The city's special accounts showed the $360,326 balance despite the $370,504 deficit for maintenance of sewers. Expenditures for sewer repairs totaled $368,482 during the year, and the 1962-63 fiscal year started with a $2021 deficit.

Two other special accounts were—civil defense, $7707 in the red with disbursements totaling $9597, and motor fuel tax sewer cleaning, $9435 in the red. The state MFT allocation for the work was received after the fiscal year ended.

A breakdown of the other special accounts, showing total disbursements and April 30 balances, follows:

Municipal retirement, $26,648 and $6108; working cash, none and $131,398; parking meters, $22,899 and $60,909; police pension, $20,754 and $45,680; fire-men pension, $35,672 and $29,-752; public library, $78,750 and $45,082; arterial street maintenance, $107,440 and $108,794; unclaimed rebate, none and $6538; sales tax, $18,267 and $220,084; southern extension sidewalk paving, none and $1562; Monroe street sidewalk, $230 and none; Edwardsville road sidewalk, $702 and none; special street fund, none and $30,000; special improvement projects, $18,913 and none.

Expenditures for 15 motor fuel tax projects during the year amounted to $140,420, leaving a total balance of $61,178 in the separate accounts.

Coolidge Band, Ensemble Will Play Tomorrow

Quad-Cityans will have an opportunity to hear the latest efforts of Granite City's "musical ambassadors of good will" at 8 p.m. Friday when the Latin American ensemble makes a guest appearance at the spring concert of the Coolidge junior high school concert band, at the GCHS auditorium.

The ensemble will present an all-bossa nova show. Bossa nova is the newest of the Latin-inspired rhythms to receive attention on the national music scene. Featured by the ensemble members will be an arrangement of the "One Note Samba," which was arranged especially for them in Mexico.

The school band will draw from a wide variety of literature to complete the musical fare.

Included in the band's selections will be "Pacific National Exhibition March", "International Overture", "Mamima, Waltz Brilliante", "Evening in Rio", "Four Pieces For Band" by Bartok, Hungarian modernist, "Panny-Whistle Song" by Leroy Anderson and "The Little Red Caboose," a novelty written in the 1940s.

Three ninth grade soloists will perform with band accompaniment, Director R. D. Todoroff has announced. They are John Kaiser, flute; Randall Chandler, cornet; and Marilyn Glozik, tympani.

Admission to the concert will be free. Stage settings has been prepared by E. L. Aiassi, supervisor of art education, and the art department.

GC Man Fined $250 For Disorderly Conduct

A fine totaling $250 was imposed Monday on Lynwood Milton, 26, of 2869 Washington avenue, and an old fine of $200 that had been assessed last July and suspended in lieu of a year's probation was reinstated by Police Magistrate Gasparovic.

Milton pleaded guilty to a charge of disorderly conduct. He was arrested Sunday night at Kirkpatrick Homes, prowling in the area, authorities said. The earlier arrest was last July 22 on a similar charge. He paid $455 and was released.

Washington School Fifth Graders Tour Army Depot

A group of 32 fifth grade pupils from Washington school, accompanied by their teacher, Alfred J. Fuller, formerly an officer at the Granite City Army Depot, toured the depot Tuesday to view communications facilities.

The youngsters, who were accompanied by School Principal Ted Noeth, watched switchboard operators and were shown the operation of teletype machines and the dispatch and receipt of messages.

ELECTION

"MITCHELL FIRE PROTECTION DISTRICT" ELECTION, Sat., May 25, 1963 at Mitchell Fire Station, Mitchell, Ill. Polling place open from 6:00 A.M. to 6:00 P.M.

PROPOSAL: 100% TAX RATE INCREASE

DISTRICT HAS BEEN DEFINED AS FOLLOWS: From East Side Levee drainage channel on the North—Mississippi River on the West—Nameoki Township in the South and into Edwardsville Township—(SECTIONS 17-18-19-20 29-31 of EDWARDSVILLE TOWNSHIP ARE LISTED IN THIS DISTRICT).

While the need of a Fire Department is NOT in question, the necessity for a 100% TAX INCREASE definitely IS questionable. Comparative Example: Adjacent Long Lake Fire District 1961 tax rate was Nine and two tenths cents, whereas the proposed tax rate for Mitchell Fire District is TWENTY FIVE CENTS.

The citizens are concerned as to the reasons for the promotion of this INCREASED TAX RATE when the tax rate for Road and Bridge purposes was ONLY Seventeen and Three Tenths Cents for the SAME period.

INCREASED TAX BILLS ARE OFTEN THE DIRECT RESULT OF THE PEOPLES' VOTE ON BOND ISSUES AND OR TAX INCREASES.

IN THE ABSENCE OF SATISFACTORY PROOF OF NEED FOR THIS 100% TAX INCREASE WE URGE ALL LEGAL VOTERS OF MITCHELL FIRE PROTECTION DISTRICT TO CONSIDER THIS PROPOSAL CAREFULLY—THEN, RAIN OR SHINE VOTE ACCORDINGLY.

UPW Circles To Take Part In Program For Rev. Maxton

Regular monthly sessions of the Circles of the United Presbyterian Women's Organization of First United Presbyterian Church were held Tuesday.

The Bible study discussion was on the topic "The New Community," from the book "One People of God."

As Circle members participated in the Fellowship of the Least Coin, prayer was offered for the work being done in Colombia where women are preparing to hold their first national Assembly of Presbyterian Women.

On June 8 Rev. Maxton, pastor, will be honored with a doctor's degree at Blackburn College commencement exercises and the UPW members will attend. The president may be contacted for reservations. The UPW will be in charge of the reception at Graham Hall following the service.

Circle Two will be in charge of a breakfast June 4 for the Christian Education Department for young people of the Granite City high school graduating class. Circles Three and Four will serve the UPW father-son banquet May 29 in Fellowship Hall.

At the meeting of Circle One Tuesday morning 12 were present, including two guests, the UPW president, Mrs. Otto Grosse and Mrs. Maxton, at a brunch in the home of Mrs. H. E. Lueders, Mrs. James Spinks, chairman, was in charge and the program was devoted to the review of the mission study book. Participants were Mrs. Richard Kerch, Mrs. J. W. Seneff, Mrs. W. G. Cooley and Mrs. T. W. Kelso. Mrs. Cooley had the year book of prayer. The next meeting is to be at the summer cottage of Mrs. Frank Welch at Chautauqua. Circles Two and Three have been invited to join the group.

Circle Two was entertained in the home of Mrs. James Henderson with Mrs. R. K. Barney, chairman, in charge. The hostess and Mrs. W. W. Bowers gave the Bible study, the mission study and the year book of prayer.

Mrs. Elmer Daniel was hostess to Circle Three. After the meeting was called to order by the chairman, Mrs. Robert Ruppel, the Bible study and year book of prayer were presented by Mrs. G. A. Holtzschier and Mrs. A. C. Stoever.

An afternoon meeting was held by Circle Four with 22 members and a guest, Mrs. Lee Rice, present. Mrs. Otis Malmberg and Mrs. Nettie Conary were hostesses in the church parlor and Mrs. R. N. Johnson presided in the absence of the chairman. The program was given by Mrs. J. H. Gardner, Mrs. Knowles.

PARTY FOR EVENING CLUB

The Evening Club met Tuesday with Mrs. Marion Davies, 3236 Hodger avenue.

Mrs. Ruth Matzen, president, was in charge and the group made plans for a hay ride and wiener roast. A dessert course was served and the birthday of the hostess was celebrated.

Present were Mrs. Faye Mercer, Mrs. Pearl Keck, Mrs. Bernice Spaich, Mrs. Jean Stopkotte, Mrs. Thelma Dugan of Edwardsville, Mrs. Jo Ann Syzdek and a guest from East St. Louis.

The next meeting will be with Mrs. Dugan in Edwardsville.

Philathea Class Holds Guest Night

The annual guest night party and dinner of the Maude M. Tolleson Philathea Class of Niedringhaus Memorial Methodist Church was held Tuesday evening in Wesley Hall of the church.

The meal was served at 6:30 by the Women's Society of Christian Service from tables attractively-appointed in a butterfly theme and with spring flowers. Approximately 50 attended.

The class teacher, Mrs. Glen Cundiff, Rev. Vernie Barnett, pastor, and Rev. E. V. Campbell, assistant pastor, were special guests. Prayer was offered by the latter.

Mrs. Earlyne Miller, class president, who was in charge, introduced the guests. Mrs. Winifred Reimers conducted a short memorial service for a deceased member, Mrs. Daisy Cherry, and read an appropriate poem by Mrs. F. W. Kottmeier.

A musical program followed. It consisted of a song "Down Yonder", (Gilbert) by Dr. Earl Miller jr., a solo by Mrs. James Loy, "Climb Every Mountain", from "The Sound of Music", and a duet by Mrs. Loy and Dr. Miller from "The Music Man". Philathea Baraca choruses were also sung by the group, accompanied by Mrs. Dora Grofford.

Mrs. Pearl Compbell was in charge of entertainment which consisted of the game "Pass Word."

NEED GUTTER REPAIRS? CALL DOUGLAS, TR 6-2988

MR. AND MRS. ROBERT HAYS MALLORY. Their wedding was an event of Saturday taking place at First Presbyterian Church in Edwardsville. The bride is the former Donna Farrington, a daughter of Mr. and Mrs. Don Z. Farrington of Dunlap Lake, Edwardsville.

ATTEND EAST ST. LOUIS INSTALLATION

A group of Navy Mothers from Quad-City Club 850 attended an installation of officers of Ship Ahoy Club 601 of East St. Louis Tuesday afternoon.

Mrs. Nellie Dix was the installing officer; Mrs. Jean Tellor served as installing adjutant; and Commander Edith McAlister was the installing chaplain.

Others attending were Mrs. Pearl Giffin, Mrs. Ida Holder and Mrs. Della Rabb.

Attain good marksmanship before aiming at your goal in life.

The true measure of a man is his contribution to the world.

Frohardt PTA Life Membership

The Frohardt PTA Tuesday night presented a life membership to Mrs. Mary Jessee. Mrs. Alice Worthen presided, and the award was given by Principal Harry Marshall.

A flag ecremony was led by Marion Sullivan, Gretchen Rea and Donna and Debbie Bracamontes of Girl Scout Troop 157. Mrs. Mary Ann Reid, leader, and Mrs. Bette Rea attended with them, and Debbie Spohr and Terri Reid served as the PTA baby sitters.

Mrs. Mary Rekas offered prayer, followed by reports from Mrs. Worthen and Francis Herman. Mrs. Worthen summarized the teachers' tea to be given on June 6.

The program was presented by Mrs. Olga Tarpoff and Mrs. Mary Tarpoff, who have been making a study during the year of schools with programs for the exceptional child. They visited schools in St. Louis and University City. They cited as a main point in such programs to "mold the needs to the child and not mold the child to the needs."

Mrs. Jessee, legislative chairman, reported on the status of the General Assembly. A stamp report was given by Mrs. Edward Ennis, and Lillian Russell reported on a scholarship meeting.

Joe Kaleta gave Mrs. Rekas a membership scroll for distinguished service to the PTA. Mrs. Lorraine Boushard also has received the membership scroll.

Mrs. Edith McGee, president, absent because of illness, is to receive a membership scroll and the past president's pin.

Mrs. Dorothy Orrick announced final plans for the school picnic, and Mrs. Jo Ann Kalert reported a membership of 297. Miss Nina Purdes' room was given the prize for the largest number of parents attending.

Mrs. Martha Bewley and Kaleta reported on the PTA convention, noting a law now in force that traffic must yield for school buses in Illinois.

Mrs. Elsie Rodell was installing officer for the new officers, Kaleta, president, Mrs. Worthen vice-president, Mrs. Bewley secreary and Al Barnes, treasurer. The ladies received corsages and the men boutonniers.

PARTY FOR GCB CLUB

Mrs. Dan Seymour, 5220 Lake drive, entertained the GCB card club Wednesday.

All members were present and games occupied the group after a one o'clock luncheon. Prizes were awarded to Mrs. John Harbig, Mrs. A. F. Burns, the hostess and Mrs. May McCauley.

The next meeting will be held in three weeks at the home of Mrs. Bunete on Cleveland blvd.

John Lentz Hospitalized

John B. Lentz, 3133 Fehling road, district manager of the Metropolitan Life Insurance Co. for 14 years who has been on a disability leave for the past 13 months, entered Jewish Hospital, St. Louis, Monday to undergo a series of tests and treatment for a lung condition. He expects to remain in the hospital for two weeks.

Dinner, Civil Defense Course Planned By Club

Mrs. Bernice Fitzpatrick conducted her first meeting of the new year as the Granite City Junior Service club met Monday evening at the Trust & Savings Bank. The meeting was opened with the members giving prayer in unison, followed by reports from Mrs. Maralbeth McConnell and Mrs. Eva Burns.

Mrs. Peggy Komadina, corresponding secretary, read a letter from the Scholarship Foundation thanking the club for its contribution of a full $400 scholarship.

She announced that the Collinsville club will hold its annual parade and picnic July 19 and has asked the club here to enter a float. The club agreed, and the president appointed Mrs. Jackie Spinks as chairman, with Mrs. Evelyn Morris and Mrs. Donna Hogan to serve on her committee.

Mrs. Louise Kovar, charity chairman, announced that three children had received eye examinations during the past month, two school children have received shoes and one child is receiving dental work. A committee will be appointed in September to assist Mrs. Kovar in checking cases which need help.

Mrs. Jean Ann Vrenick reported on the successful mother-daughter and guest dinner held May 6.

Mrs. Della Pauly, the club sponsor, had as her guests Mesdames Mary Schaffner, Vrenick, Eva Burns and Thelma Jacobsmeyer at the federated women's club luncheon May 2, and Mrs. Schaffner gave a report on the luncheon. Mrs. Fitzpatrick announced she had attended the Ladies Coterie luncheon May 16.

A discussion was held on a proposed pot luck dinner for the June meeting, which will be held at the home of Mrs. Rena James, 3230 Westchester drive.

Mrs. Schaffner and Mrs. Morris submitted their report on a Scholarship Foundation meeting, and the president announced that a committee has made arrangements for the club to use the civil defense building for its regular meetings. Approximately 25 members agreed to take the basic course offered by the civil defense.

Miss Helen Parsaghian, yearbook chairman, and Mrs. Fitzpatrick presented a draft of the proposed yearbook for the club's approval. The draft was accepted and each member will be given a copy at the next meeting.

Mrs. Morris informed the club that it could operate a fish stand at the Jaycee homecoming Aug. 9-11 and the club agreed to participate.

The June board meeting will be held at the home of Mrs. Vrenick, 1534 Cottage avenue. There will be no meetings after the June meeting other than the board meetings.

Refreshments were served by the month's hostesses, Miss Parsaghian, Miss Flora Mae Lensing and Mrs. Thelma Jacobsmeyer. Those present included Miss Juanita Bell, Miss Margie Greendonner and Mesdames Rena James, Ruth Knecht, Norma McKee, Jo Ann Romine, Jackie Spinks, Donna Hogan and Vida Sitton.

BETROTHED, Miss Carol Dawn Sullivan, who will become the bride of Robert D. Allen, a son of Mr. and Mrs. Robert Allen, 3009 Nemeoki drive. The engagement of the couple is announced by the bride-elect's parents, Mr. and Mrs. Marion F. Sullivan, 700 Twenty-sixth street.

Lake PTA Sees Park Gymnasts

The May meeting of the Lake PTA was held Monday night, with the president, Mrs. Lorraine Bischoff in charge. Granite City park district Flyers, under the direction of instructor Pete Robinson, presented the program, with Mrs. Kulenkamp narrating.

Children taking part in various gymnastics were David and Gerald Macios, Linda and Ronnie Kulenkamp, Nina Teague, Diane, Debbie, Donna and Denise Spohr, Christy Antanopolis, Leah Storey and Roy Shemonia.

The meeting opened with the pledge of allegiance, and Mrs. Bischoff conducted the business session. Those named to auditing committee were Mrs. Shirley Sweigert, Mrs. Virginia Obear and Mrs. Abel.

Mrs. Lucille Caban and Mrs. Lela Runck reported on a convention they attended. Mrs. Lela Runck's second grade class and Miss Irene Stocker's third grade class tied for the attendance banner with the most parents present.

A parent-teacher chorus is scheduled for next year, and mothers are being asked to contact Mrs. Bischoff, Area PTA Council spiritual, cultural and arts chairman.

An installation ceremony was conducted by Mrs. Caban for Mrs. Elizabeth Stevens, president, James Sweigert, vice-president, Mrs. Betty Orsborn, secretary, and Mrs. Charlotte Griffith, treasurer.

Refreshments were served by the kindergarten mothers.

LEAVE FOR AIR FORCE BASE

A 3/C Dennis L. Floyd, son of Mr. and Mrs. Ival Floyd, 2227 State street, left this week for Gunter Air Force Base after spending a 10-day leave at home.

A graduate of the Granite City high school, Floyd enlisted in the Air Force in January and after basic training at Lackland AFB, Texas, was graduated May 7 from Medical Technical School at Greenville, Miss. He will attend an advanced technical school at Gunter for six weeks.

Maryville PTA Patrol Awards

Patrol awards highlighted the final regular meeting of the Maryville school PTA Tuesday evening. Mrs. Jewell Stone, vice-president, opened the meeting by leading the pledge of allegiance and PTA prayer.

Mrs. Dorothy Peters gave a report and Mrs. Stone asked that two parents assisted with the children who will attend a ball game in St. Louis May 25. Frank Zaruba and Roy Baumberger agreed to attend.

Steve Hordesky and Thomas Staicoff of the Long Lake Amvet Post presented certificates to sixth grade safety patrols, Connie Rotter, Bernard Picker, Mike Ellis, Loretta Leatherman, Victor Hoffstat, Roger Stagner, Jerry Cooke, Joey Bodi, Robert Zaruba, Raymond Fields, Marsha Love and Debbie Baker. They also awarded a plaque to the most outstanding patrol, Roger Stagner. Runners-up for the award were Marsha Love and Mike Ellis.

Mrs. Ruth Knapp and Mrs. Pat Baumberger reported on the state convention in Chicago.

The program, a movie on physical fitness, was followed by installation of new officers. Mrs. Kathleen Tedlock was installing officer. Mrs. Baumberger is the new president, Mrs. Knapp vice-president, Mrs. Glenna Law secretary and Mrs. Mary Stovall, treasurer.

Mrs. Stone announced a wiener roast May 29 for sixth grade students at Monks Mound, arranged by the room mothers.

Elmer Rouland's room was awarded the attendance banner, and the parents' prize was given to Mrs. Robert Baker. Refreshments were served by the sixth grade room mothers in the cafeteria.

DORCAS CLASS HOLDS MONTHLY MEETING

A monthly meeting of the Dorcas Class of First Baptist Church was held Tuesday evening in the church parlors with Mrs. Ruby Rice, vice-president, in charge.

After the opening prayer by Mrs. Dena Kampschrader, the stewardship lesson was given by Mrs. Iva Olive. The topic was "I have a stewardship and God is the owner."

As the project for the month the class will again contribute to the fund for redecorating the church. The teacher's thought by Mrs. Effie Johnson was "How to have victory in Christian life." The meeting closed with the Lord's Prayer and refreshments were served to 16 members by the hostess committee composed of Mrs. Olive, Mrs. Beulah Harrigan and Mrs. Vira Green.

Freeman Wolfe, Dr. Felicia Koch, Paul Lichtenberger, committee chairman; Ernest L. Corbin, Dr. Stanley F. Maer and Fred Plebanek; and standing—C. E. Townsend, N. R. Brink, UF president; John Bilna and Joseph C. Cell.

United Fund Budget Hearings June 18-19

The United Fund will hold hearings on budget requests of 17 participating agencies at 4:30 p.m. June 18-19 in the board room of the First Granite City National Bank.

The hearings will be conducted by the UF admissions and distributions committee headed by Paul Lichtenberger. Committee members discussed their responsibilities to the agencies and to the public at a meeting Tuesday night at the Rose Bowl restaurant.

Work of the committee was explained by Lichtenberger. N. R. Brink, UF president, pointed out the vital importance of the task to the community as it will enable the UF to certify the funds sought from the community and assure that they will be used economically in aiding the essential agencies to continue their services.

John Solenberger, executive director, reviewed backgrounds of the agencies and provided statistical materials. Other committee members attending were Victor G. Anderson, M. Freeman Wolfe, Dr. Felicia Koch, Ernest L. Corbin, Dr. Stanley F. Maer, Fred Plebanek, C. E. Townsend, John Bilna and Joseph C. Cell.

CONTINUE STUDY OF PHILIPPINES

World Friends Sunbeams of Second Baptist Church met Tuesday afternoon to continue their study of the Philippine Islands. A large frieze or mural was made by cutting out pictures of Filipino homes, trees, animals, carts and people, and pasting them on a long sheet of paper.

Everyone participated. The group then joined in prayer led by Linda Lindsey. The leader, Miss Evelyn Barnes, told a story about Christmas in the Philippines and how the family joined in making Christmas stars.

Miss Jean Anderson, assistant, displayed such a star.

Several Sunbeams returned "helpers' charts" which were made at a previous meeting. The leader told of the climate of the Philippines and the ways of the people.

Refreshments were served to Johnny Baker, Linda Lindsey, Sue Thompson, Robert McCord, Brenda Rose, Vonda Mayes, Dean Olive, Nancy Hawkins, Cordell Burnett, Gary Ellis, Patti Box, Frances Welty, Janice Gaille, Patti Franklin and two new members, Dennis Revelle and Johnny Wilson.

3 Teamster Wives On 'Drive' Tour To Capital

Three area wives of Teamsters Local 525 are on a seven-day visit to Washington, D.C., on a Joint Council 65 sponsored tour with 37 women delegates motorcading to Washington to protest anti-labor legislation in this session of Congress.

A banquet was held in Springfield, the guest being Jimmy Simkins, international representative of the Teamsters Union.

Mrs. Pearl Ward, Mrs. Mable Jones and Mrs. Gloria Smith are delegates of Local 525 "Drive" Auxiliary.

"Drive" is similar to AFL-CIO Cope being the political arm of Teamsters Union.

The trip will consist of a tour of the White House, Teamsters Building and Washington, D.C. Several lunches, banquets and meetings with the Illinois Congressmen and Senators are planned.

"Drive" Local 525 will sponsor similar visits to Springfield.

Brother Of Resident Dies In Plane Crash

John Gene Smith, 28, of The Dalles, Ore., brother of Mrs. Thomas Martin, Rural Route One, has been killed in the crash of a light plane near an airpark at The Dalles.

Services were set for 2 p.m. today in Edwardsville with interment in Valley View Garden of Memory, Edwardsville.

He lived in South Roxana until moving to The Dalles three years ago where he was employed as a draftsman. Pilot of the plane, owned by Smith's brother, Ivan, was Marquis Wolever, formerly of Hartford. He was injured seriously. The crash occurred last Friday.

During the Venice grade school graduation exercises held Tuesday evening, American Legion medals for the outstanding girl and boy in the class were presented by Michael Leatherman jr. of the school board to Glenda Brown and Richard Essington.

Special recognition was given by Lester Salem, president of the board of education, to Mrs. Jessie O'Day and Miss Florence Malotte, teachers for many years in the Venice school, who are retiring this week.

Local 7-663 Renames Godwin As President

Russell Godwin, president of Oil, Chemical & Atomic Workers Local 7-663 at Union Starch & Refining Co., was reelected Tuesday. He won with 127 votes over Floyd Miller, who received 103, and Richard Pritchard, 58. The union has 433 members.

For vice-president, William Burch was unopposed, and Ivor Cowley was re-elected financial-corresponding secretary over John Hamm, by a vote of 192 to 91. Wayne Mosby, incumbent, was unopposed for the office of recording secretary.

For the office of guide, Ed Gaudreault won over John Teetor, 134 to 124; and for guard Ralph Brown defeated John Evanoff, 154 to 107.

The six trustees elected were Charles Wilkins, Lowell Allison, Barney Brumley, Tommy Austin, Carl Johnson and Harvey Stewart. The eight committeemen named were William McKee, Tommy Austin, John Hamm, Wayne Mosby, Dairl Reynolds, Russel Godwin, Richard Pritchard and Floyd L. Miller. They won over Charles Shemwell, William Hale, Lester DeWeese, James Johnson, Joe Anderson, Robert Cantlon and Foster Frederick.

Four delegates named to the convention, district and council meetings were Ivor Cowley, Floyd Miller, Russell Godwin and William McKee, who defeated John Hamm, Tommy Austin, Wayne Mosby, Dairl Reynolds and Ralph Brown.

Two delegates elected to the Tri-City Trades & Labor Council were Floyd Miller sr. and Robert Cantlon.

Look, just announce the sale, never mind the ballad

We don't profess to have any Sinatras or Paul Ankas working for us (It might keep our female employees happier, if we did), but you can rest assured that any message delivered by our managers over our public address systems is a true bargain.

You may wonder why their voices quiver when they deliver the message. It is only because it hurts them deeply to announce such tremendous price cuts. Yes, it takes a little out of them everytime they have to lose so much money, but such is life!

So, please bear with us if our managers look ashen and are not quite steady on their feet after an earth shaking commercial over our loud speaker system, it's only that they die a little with each price cut.

Madison Accepts $14,170 Bi-State School Bus Bid

A school bus contract for $14,170 with the Bi-State Transit System was approved by the Madison board of education Tuesday night for the next school year after members noted that the cost was increased.

The contract for the current school year, made with the old Community Coach Co., was for $12,760. Wensel Brown, school superintendent, estimated that the new figure includes 25% profit.

Members said that they had felt there were promises of decreased costs when Bi-State acquired all of the metropolitan area bus companies this spring.

John Gitchoff, school attorney, suggested that the district and other local districts depending upon Bi-State for transportation complain to the Illinois Commerce Commission—or purchase buses.

$80 Per Day Cost

Brown immediately noted that the district could not afford to operate its own buses. He felt the state commission would "go along" with Bi-State on the rate, which breaks down to $80 a day for 177 school days, as the system is just developing.

The superintendent said, "Bi-State is just feeling its way around and might reach the point where they will not want to operate school buses."

As no other transit systems are licensed by the state to run school buses here, Brown said, "We can do nothing but go along with them." Gitchoff suggested that "we feel them out. If they come up with a similar increase next year, we could go to the commission."

The cost is $1410 more, and the state would pay half of it, it was reported, leaving the increase to the district at $705.

Accident Insurance

The board also agreed to continue pupil accident insurance for the next school year with the John Mull agency. Rates are $2 a year for grade school children, $2.50 for junior and senior high pupils and $2.50 for teachers, with a 24-hour coverage plan provided for $20 a year.

The board turned down a proposal that each child be asked to contribute 10 cents to a fund to purchase a building to serve as the county historical museum as it is against current policy to solicit funds in the schools. The children contribute only to the March of Dimes, for which they receive direct benefit in the form of Salk polio vaccine administered to them.

In other action, the board:

Hired Miss Lois M. Crawford of Venice as third grade teacher at Blair school. She is a 1962 graduate of Southern Illinois University and was a substitute teacher here this year.

Accept Resignations

Accepted the resignation of Mrs. Norma Hillmer, girls' physical education teacher at Madison junior high school, and authorized the superintendent to employ a replacement and additional teachers for the first grade at Blair and the sixth grade at Dunbar school. The resignation of Mrs. Lena Mefford, a junior high school cook, was accepted. She has reached the retirement age.

Authorized purchase of blinds for Louis Baer school for $173, with the Harris Mothers' club to pay half.

Received a letter from George Musso, county treasurer, announcing plans to make tax distributions on a monthly basis following completion of "a little automation in the treasurer's office."

Authorized the superintendent to prepare the budget and levy for the 1963-64 year.

Heard from Milton Eastman of the state special education division that he is to present the district's speech program to the superintendent of public instruction for approval.

Join In County Programs

Authorized permission to participate in the county psychological services program and the county counseing and guidance program.

Adopted a tentative schedule as the permanent schedule for the next calendar year.

Approved April salaries totaling $50,785, cafeteria salaries of $2545, educational fund bills of $29,754, building fund bills of $2920 and cafeteria bills of $5278.

Approved the treasurer's report showing a May 1 bank balance in the educational fund of $158,620, building fund of $31,288 and bonds and interest fund of $25,218 for a total bank balance of $215,145; and a cash balance of $144,891 in the educational fund, $29,653 in the building fund and $25,818 in the bonds and interest fund for a total of $199,762.

District Lt. Governor Visits GC Kiwanians

O. B. Fulton of O'Fallon, lieutenant governor of the district, paid an official visit to the Granite City Kiwanis Club during the group's regular meeting Monday night at the Elks Club.

Twenty-one members were present to discuss arrangements with the Bow Line Boat Club for outboard motorboat races later here this month, a joint project, and to make plans for a club barbeque at the Ladue home of member Leland Britt on June 9.

BRIDAL SHOWER HONORS
RUTH ANNE THOMPSON

Miss Ruth Anne Thompson was honoree at a miscellaneous bridal shower given Sunday afternoon at the Lincoln Place Community Center by Mrs. Sharon St. Ivany and Miss Charlotte Lewis.

Wicker baskets of flowers and white umbrellas prevailed in the decorating scheme, with the gift table displaying a bride and groom beneath a white arch surrounded by flowers of pink, blue and orchid.

Guests' tables were appointed with lace umbrellas and baskets of flowers in the above colors. The same colors will be worn by the bridesmaids at the wedding.

The honoree was assisted with the opening of her gifts by her bridesmaids, Mrs. Jeanette Hartman, Miss Lewis and Mrs. St. Ivany.

A luncheon was served in buffet style. The buffet table was decorated with a large basket of flowers and ivy.

Games were played, with a number of prizes awarded. All of the decorations were designed and arranged by Mrs. Mary Bero of Madison.

Miss Thompson will be married June 1 to Charles Snowden at St. Mary's Catholic Church, Madison.

Excess Wheat Acreage Is Subject To Penalty

Madison county farmers who have received notices that their 1963 wheat acreage exceeds the amount permitted will be subject to a marketing quota penalty of $1.12 per bushel if the disposition of the excess acreage is not accomplished by May 25, according to Edwin C. Rethmeier, chairman of the Madison county Agricultural Stabilization office in Edwardsville.

The penalty is based on 45% of the parity price of $2.49 per bushel, as of May 1. Farmers who have questions concerning the 1963 wheat program may call at the county ASCS office in Edwardsville for further details.

Mrs. Virginia Terzian of Worchester, Mass., is visiting here with her son-in-law and daughter, Mr. and Mrs. Kourken Shrikian, 1715 Chestnut street.

Cedar View Church Joins Welfare Group

The Cedar View General Baptist Church was accepted as a member of the Protestant Welfare Association during a monthly meeting of the association's board of directors Tuesday night at Suburban Baptist Church.

Paul Harper conducted the devotion and President Oliver Jacobsmeyer led a business session. Rev. W. Sherman Wilson, new pastor of the Nameoki Presbyterian Church, was welcomed by the group.

Earl West led prayer, and Dr. E. H. Theis discussed a new Christian counseling plan to be started soon by Protestant Welfare. Otto Grosse reviewed the budget proposed for the coming year.

Mrs. Marie Whittle, secretary, reported 25 cases involving 86 persons in April, with assistance during the month totaling $367. Refreshments were served, and the next meeting was set for June 18 at Central Christian Church.

PHEBEAN CLASS MEETS AT CHURCH

A monthly meeting of the Phebean Sunday school class of the First Baptist Church was held in the educational building Tuesday evening. The president, Mrs. Anis Jones, opened the meeting, followed with devotions by Mrs. Ruth Hannebrink.

A short business meeting was held and prayer partners were selected by the members. The meeting was closed with prayer by Mrs. Kenneth McDaniel.

The hostesses, Mrs. Hannebrink and Mrs. Veda Bolin, served refreshments to Mrs. Ora James, Mrs. Margaret Lee, Mrs. Lucy Bond, Mrs. Eula Lively, Mrs. Mary Stanfill, Mrs. Gladys Paterson, Mrs. Matilda Fabino, Mrs. Jones and Mrs. McDaniel. The next meeting will be held June 18, with Mrs. McDaniel and Mrs. Bessie Peck as co-hostesses.

Carpenter Apprentices Get Diplomas Tuesday

Five Quad-City carpenter apprentices were among a class of 12 who received diplomas Tuesday night at an annual award dinner at the North junior high school in Collinsville.

The five, who are graduates of the apprentice class of the Carpenter's District Council of Madison county, are Lindell Lindsey, Alfred Crosby, Donald Goddard, Stanley Mattea and Darrell Arth.

They completed a carpenter apprentice class conducted here by Elery Rule and Bill Tindall of Carpenters' Local 633 of Granite City.

Tape measures were presented with diplomas to the graduates at Tuesday's dinner. Representatives of the State Board of Vocational Education and the Federal Bureau of Apprenticeship also attended. Federal certificates were presented by Wilbur Rusch.

Organization officials, including Cecil Shelton and Leo Maack of Local 633's master apprenticeship committee, were introduced by chairman Ray Cadmus of Local 633.

Other carpenters' locals represented at the banquet were Local 377 of Alton, Local 378 of Edwardsville, Local 1535 of Highland, Local 1267 of Worden, Local 285 of Collinsville, Local 1808 of Wood River and Local 990 of Greenville.

The main address was delivered by George T. Wilkins, former state superintendent of public instruction.

Will Be Initiated Into Phi Beta Kappa

John Podner, a son of Mr. and Mrs. John T. Podner of Granite City, is among the seven seniors at Illinois College in Jacksonville, who have been elected to Phi Beta Kappa national honor society. They will be initiated into Epsilon chapter of Illinois May 30 during commencement week activities on the campus.

Podner has been on the honor roll all four years and was appointed to a student assistantship position in the English department in his senior year.

SENIOR SCOUTS PLAN CHILI SUPPER

Senior Girl Scout Troop 224 held a regular meeting Tuesday evening at the Nameoki Presbyterian Church.

Following a brief business meeting, a discussion was held on the chili supper which will be held at Nameoki school on May 28. Several of the mothers were in attendance to help the scouts plan for this event.

With this the last meeting of the year, the scouts made tentative plans to have a picnic and go horseback riding in Edwardsville on June 7, after school is dismissed.

Those attending were the mothers of Christina Harris, Barbara Barton, Debbie Slay, Charlotte Weiss, Lauren Stegle —Mrs. Mary Stegle is leader of the troop—and Solonna Brister, Marilyn Bondegard, Merle Willis and Kathy McDonald.

The executive board of the Coolidge junior high school PTA, meeting Monday evening with Mrs. Elsie Rodell, vice-president, presiding, discussed the program for the next regular meeting May 27. The Joy Bells, teenage girls' bell choir from the Madison Presbyterian Church, will be guests at the meeting.

Lewis Sabin will report on the state PTA convention, and new officers will be installed by Mrs. Ula Brazier, state vice-president.

Mrs. Rodell appointed Homer Johnson and Mr. and Mrs. Walter Spiceland to audit the books before the next meeting. She said that on a television program at 2:30 Miss Barbara Kerch will serve as a panel member on "What Is Physical Education?" Art Menendez, principal of Lake school, Bob Davis, principal of Central junior high school, and Mrs. Dorothy Beck and Mrs. Eva Mae Spiceland will quiz the panel.

Members present included Johnson, Principal Ralph Frohardt and Assistant Principal Frank Kraus.

Training Certificates

Certificates recognizing completion of 52 hours of training in basic police work at Southern Illinois University, Carbondale, have been issued to Ronald Grzywacz and William Joseph Fanning of the Madison police department, it was announced this week by the SIU Technical and Adult Education office.

Parked Auto Struck, Knocked Against House

A charge of careless driving was placed against Ray Lowell, 55, of 2808 Buxton avenue, whose auto early this morning struck a parked auto and knocked it against a house at 1909 Park avenue.

Police said Lowell was going south on Park avenue, when his auto struck the parked car of Doyle L. Miller, 29, of 1914 Park avenue, knocking it against the house of Lawrence Lay, 1909 Park avenue. A porch support and several boards on the house were damaged, police said.

Observation proves that spring always produces a number of budding geniuses, but most of them get nipped in the bud.

Children's Agency Plans More Adoption Services

The regional board of the Illinois Children's Home and Aid Society made plans to increase its adoption services at a meeting Monday at the Alton YWCA.

The agency plans to add an additional social worker to its staff which will enable it to process more requests. The agency also said there are more infants available for adoption because more unwed mothers are considering adoption as a good plan for themselves and their babies.

The agency recognizes that adoptive homes are needed for children of every race and nationality and hopes that interested couples of all racial and nationality backgrounds will apply. The agency, one of the oldest and largest child-placing agencies in Illinois, has a regional office at 10 East Broadway, Alton.

99 Seniors To Graduate At Madison High School

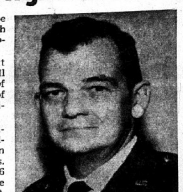

Ninety-nine seniors will be graduated from Madison High school in exercises at 8 p.m. tomorrow in the school gym.

Delivering the commencement address will be Lt. Col. Russell Strange, associate professor of air science and commander of the Air Force ROTC at the University of Illinois.

Col. Strange attended Madison public schools and was graduated from the high school in 1940. His parents, Mr. and Mrs. R. E. Strange, reside at 1736 Fifth street. He enrolled at the U. of I. in September 1940, working his way through school as a steelworker and a farm hand in Madison county.

He enlisted in the Army Air Corps Jan. 7, 1942, being the first U. of I. student to volunteer for military service in world war II. He received a bachelor of arts degree in American history in 1952 at the University of Maryland, his master's in European history at Maryland the following year and a doctorate in government and politics in 1955.

He performed various assignments in different parts of the world before returning to the U. of I. last June after an absence of 21 years. He is a member of many civic, service and professional organizations. His topic will be "Tomorrow Is Already Here."

LT. COL. RUSSELL STRANGE, commander of the Air Force ROTC at the University of Illinois, who will deliver the commencement address at Madison high school exercises at 8 p.m. tomorrow. He is a graduate of the school.

New Class Rings Planned At GCHS

By Janet Kramer

A change has been brought about which will effect the sophomores and their successors at Granite City high school. It is the style of class rings.

The new style, which members of the class of 1965 will be able to order starting Sept. 15, is completely different.

The new rings have a round stone, with a choice of colors, set in the top, with the school motto "Knowledge Today, Wisdom Tomorrow" inscribed around it.

On one side of the ring are the numerals "19" and a picture of the Granite high school warrior. On the other side will be the numerals representing the year of graduation and engraving of the front doors of the high school.

The style change was decided upon by Lawrence McCauley, school principal, three faculty members and eight boys and five girls, two representing each of the four high school classes.

One-Way Traffic System In Use In GCHS Halls

By Janice Buff

"Highly successful" was Granite City high school cognizance's opinion of a new one-way hall traffic system now being tested at the school.

During the past two weeks this method has been used as an experiment to decrease traffic congestion in the school's main hallways.

The system necessitates the students to use the downstairs hall for one-way traffic going toward Grand avenue and the cafeteria only. The upstairs hall is limited to traffic going toward the gym. Two-way traffic is continued in the other hallways through the building.

This plan may be used next year. If so, two-thirds of the expected 2600 students who will attend Granite City high school next year will be familiar with the new system. These students will be able to assist the sophomores from Coolidge and Prather junior high schools to comply with this plan.

Although there are a few minor inconveniences for most of the students at the present time, this experiment has proven that something can be done to eliminate the excessively crowded main halls.

Spanish Club Holds Picnic At State Park

Members of the Spanish Club at Granite City high school held a picnic at Pere Marquette State Park near Grafton.

On the picnic committee are Keith Talley, chairman, Joette Sneed, Ruth Barney, Walter Warfield and Cheryl Morger. The transportation committee includes Susie McGee, chairman, Larry Brooks and Jerry Williams.

Others attending are Ruth Barney, Larry Brooks, Bob Dawes, George Evangelauf, Pam Goodin, Loyal Gundersoh, Sharon Hamilos, Maggie Harlan, Diane Holshauser, Bob Karandjeff, Rich Lee, Gary Marcum, Rosa Martinez, Cheryl Morger, Pam McCollum, Susan McGee, Mike Nicholes, Cheryl Orchard, Jim Parker, Roger Santagato, Joette Sneed, Bill Starkey, Keith Talley, Linda Walker, Walt Warfield and Jerry Williams.

The group hopes to tour Mexico next summer after earning funds for the trip during the next school year. Several will attend classes in Spanish this summer at area universities.

Pam McCollum Elected To Tri-Hi-Y Position

Pam McCollum was elected president of Sigma Gamma Tri-Hi-Y at a meeting Monday night which completed its season. She succeeds Susan West.

Other officers for the 1963-64 term are Jeanne Hoover, vice-president; Marie Fryntzko, secretary; Diane Schardan, treasurer; Debbie Spengler, chaplain; Sally Hunter, sergeant-at-arms; and Jeanne Hoover, historian.

A speech was made by Mrs. Mary McCollum, club advisor. The club will meet next week to play bridge, a club project of the year with lessons given by parents who play the game.

VHS Seniors Return From Ozarks Trip

By Michael Lopez

Members of the senior class at Venice high school visited the Lake of the Ozarks for their annual trip, leaving Monday morning and returning today in time for graduation tonight.

Upon arrival at the resort, they were given time to settle in their accommodations, then went for a boat ride. The second day was highlighted with a tour of Bagnell Dam installations and a side trip into the picturesque countryside.

Yesterday the group made a trip to "Phantom Acres," a small area of the world which has no excessive gravitational force, where water runs uphill. The students spent some of their free time studying the stars and spelunking (cave exploring).

The 1964 Venice high school yearbook contract recently was signed by the Venetian staff. The 1964 Venetian will be about the same size as the 1963 book, 96 pages.

Two additional features will be in the '64 book. The first will be color end sheets on the inside covers. The second will be a special cover to be designed by a member of the publications class, with the cover to be selected by class members.

* * *

A recognition day assembly will be held at 9 a.m. tomorrow in the study hall. The faculty and school organizations will recognize students and teachers for outstanding work in specific fields or for a service they performed during the year.

Members of the VHS publications class will again attend the University of Missouri's publications workshop June 24-28. The group will be divided into newspaper and yearbook sections. The newspaper group will specialize in listening to speakers who are among the leading journalists.

The yearbook group will listen to speakers from the National Yearbook Association. The highlight of the week will be an eight-page tabloid compiled and printed by the newspaper group while it is on the campus. The yearbook group will publish a 4-page yearbook.

Students to make the trip include Mary Donna Scaturro, Mary Lynn Sorenson, Kathy Ochoa and Nancy Scaturro. They will be accompanied by Mrs. Barbara Williams, faculty advisor.

About 75 per cent of the student body attended the VHS student council "sock hop" Friday night, the last dance of the school year.

Winning prizes for the best dressed feet were Kathy Yearman and Joyce Daniels.

Who doesn't think of summer as a time for going places, doing things with a flourish? Certainly you do, or you wouldn't be lingering over that Chevrolet Impala Super Sport* Convertible, quite a flourish in itself.

The Impala Super Sport's summery spirit extends from fresh styling outside to sumptuous comfort inside. On the go, all Chevrolets offer a wide choice of optional-at-extra-cost engines and transmissions that whisk you away with a lift like school just got out. Lift up to 425 hp and we need only mention our popular 340-hp Turbo-Fire 409* in passing (which, incidentally, is where this one excels) to give you an idea.

And think how much more fun your holiday would be in a Chevrolet as new as the season! Your timing couldn't be better: your Chevrolet dealer is celebrating Trade 'N' Travel Time right now. *Optional at extra cost

COMMENTS ON LETTER

To the Editor:

In answer to A.T.G. May 16, Negroes have their freedom. They are invading the freedom of the white. They have their own churches, schools, pools, etc., but that is not enough for them. You don't see any whites pushing their way into Negro life.

Why worry about Russia? Maybe that's one place they can't rule or push themselves into.

R.S.

SAYS PROGRAM IMPAIRED BY LOSS OF DIRECTOR

To the Editor:

What is happening to our YMCA?

My two daughters have taken an active part in the judo program for over a year and have enjoyed it beyond words. A few weeks ago, I learned that the judo director had resigned; leaving the future of the judo program in considerable doubt.

In quick succession, two other resignations took place, and the recent was the youth director. These last two resignations were also judo people. It would seem that discontent and unrest prevails in our YMCA.

How many other fine programs have fallen by the wayside due to lack of vision, lack of appreciation or just plain apathy?

Not too many years ago the "Y" boasted one of the finest gymnastic programs in the state. Its organizer left and was replaced by another well-qualified person. He, too, resigned to carry on a similar program with the Granite City park district.

The ridiculous and, I suspect, needless turnover of physical directors, youth directors, and special personnel certainly men its some investigation by our citizens. If the YMCA judo program suffers the fate of so many other fine programs, then the Granite City community will have lost a great deal.

Why should a program that can gain national recognition for Granite City and attract visits from world champions be allowed to falter and die? As a citizen of Granite City and as one who believes in a sound YMCA program, I feel that steps should be taken to bolster a rapidly deteriorating situation.

(Editor's note: The YMCA says that its judo program is continuing to operate with qualified instructors.)

ALL RACES HAVE SOME ADVANTAGES, LIMITATIONS

To the Editor:

This is my reply to the letter signed A.T.G.

I am white. I am not anti-Negro or a Communist. I am a mother of three, and would like to see them grow up in a free country.

Actually, whites are in the same boat as colored. We are not really free. We are being forced to attend schools, parks, etc., as were mentioned, with the colored people and we are supposed to like it.

I've read the letter three times, and only one solution stands out—that the Negro race, in time to come, will require intermarriage to satisfy their segregation problem.

We are not in a position to look at this situation logically. The Negro leaders won't allow it. They want everything, and it seems they have the answer to the way of getting it.

If the choice is ever mine to make, I'd have my kids grow up under red rule, rather than what is being sought. We should take a look at ourselves, black or white, and find that we do have many things to be grateful for, living in a segregated country or not.

If colored leaders think that desegregation is going to stop Communism here, they had better find another answer, because we are all free and there is always another choice.

A QUAD-CITY MOTHER.

SUGGESTS PARK ADD JUDO TO ITS PROGRAM

To the Editor:

At this reading, the Granite City Park Board will have been given an opportunity to accept an enrichment to its already fine program.

In recent weeks, five adults have left the YMCA—Roy Walker, Bob Whelan, Jim Lindell, Don Hibbler and, over the weekend, P. J. Lewis of the health club. Why this has happened no one seems to know. Worst of all, the board of directors seems content to let it continue.

Parents and adults interested in judo hope the park district will decide to start programming different activities for two reasons: competition between the park district and YMCA would be good for any sport and the town, and it would wake up the indifferent board, whose policy seems to be a little of "Alice in Wonderland" and the sort of strategy that resulted in "Custer's Last Stand."

KEEP JUDO IN GC

MANY TEENAGERS ARE SAFE, CAREFUL DRIVERS

To the Editor:

A mother asks herself, "Should I let my son have a car? Should I let him drive our family car?" He works, makes his own money, keeps up his grades and has completed his driver training course, top in his class.

We understand the chances we take when we let our children have a car. But when your 16-year-old comes to you and says he is getting a job, you realize your son is becoming a man. We know that a boy of 16 is not a man, but when he saves for a car, which all boys at that age want, what is a mother to do?

When you have taught your child right from wrong, by this age he should be able to look life in the face. We mothers have the toughest job in the world. We don't want to turn loose of our sons, but we know we can't keep them little boys forever. At this point, all one can do is just guide him and pray.

The other day I was driving my children to school. There was a traffic policeman at his post. We were all waiting our turn to turn off, when a car went off the shoulder of the highway on the wrong side, passing all of us. I recognized this driver, who was one of our policemen driving his child to school. It was raining and he could have caused an accident.

I wonder what the police department would have done had a teenager done such a thing. If they do not obey rules of the road, it makes it hard for a mother when she knows her son sees this—even when he assures her he knows better.

Do policemen have a driver training course? I never had driver training, so I think my boy is a better driver than me and a lot of us older ones.

Please, let's don't judge a teenager by his age or size. There are some who take chances and love to drive fast; if you see that your son likes to drive fast, take him to the tracks we have for those who love the thrill of going fast, not on the public streets where he will get hurt.

But don't judge all teenagers by a few who break rules. Most know what will happen when they get careless. A lot of accidents are caused by older people.

We feel deep sympathy for the parents of the young men killed the other day. One was my son's age, but it hurts just as much whether the son is 16 or 21.

Instead of blaming the teenagers, let's pray and guide them all we can. They need us as much as we need them. My 16-year-old says, "Mother, I'll be as careful as I can. If God sees fit, it is my turn to go."

Mitchell Fire Tax Vote Saturday Offers Reduced Insurance Costs

The prospect of reduced fire insurance costs and the assurance that spending will be kept within reasonable bounds bolster the position of Mitchell fire district residents planning to vote "yes" in the special tax rate election Saturday.

Beset by collection losses, tax objections and state tax rulings, the 13-year-old district also has been confronted with rapid population growth and an increase in the number of fires occurring within its 36-square-mile area. Disbursements exceeded revenue by $1218 in 1961-62, and there is a need for a new fire truck and improved equipment.

In view of the opportunity to pay less for insurance by paying more for fire protection, a favorable vote Saturday would appear to be a progressive step. Curtailment of fire losses is a "must" in any community, and a successful record in this regard can help maintain the Mitchell area's already-demonstrated attractiveness to new residents.

Time to think is as important as time to work.

Social Security, Like State-City Pensions, Also A Source Of Worry

Senator Simon's concern over the status of state and city pension plans should be shared by all. Each program must not only have as much income as outgo—a fundamental necessity that is being ignored in many cases—but should be built up with some thought to the prospective number of future recipients.

Unless retirement contributions are made on an actuarially sound basis, there can be only one of two outcomes—reneging on the promised payments or a crushing tax load when the day of reckoning can be postponed no longer.

The federal social security system also is a source of worry, but of a slightly different type. It is much nearer the mark actuarially, meaning that it is not building toward a financial crisis that would be impossible to solve. But not enough people are aware that its collections from workers and employers are being regularly increased as its benefits are liberalized and as the number of eligible recipients expands by an ever-increasing percentage.

An indication of the immensity of the program is given by the latest social security report, showing nearly a million people in Illinois and over 18 million nationally receiving benefits totaling $70 million in the state and $1 billion in the nation each month—$12 billion in a year's time.

If everyone was more fully aware of the trend in his paycheck deductions, there would be more thorough study before endorsing federal proposals that would link huge new burdens to social security financing without regard to recipients' need—or their ability to pay. It has been soberly and conservatively estimated that the full scope of medical-hospital-nursing home care combined with retirement pay could boost social security fees to within the same range as income taxes—a double dose of deductions that would leave little take-home pay to take home.

Exhibit At Fair Would Present Illinois Attractions To World

Though labeled by foes as a "wedding present for Rockefeller," the million dollar appropriation for an Illinois pavilion at the New York World's Fair April 1964-October 1965 is hardly more than that which the state has been spending on race horse breeding, to mention only one of a number of questionable expenditures.

The display could pay dividends in the form of increased world awareness of what this state has to offer. And participation would seem to be essential if the state hopes to attract many exhibitors to the world's fair planned at Chicago in 1976.

State Should Not Meddle In Competition For Industry

Bills 891 to 893, under the chief sponsorship of Sen. Simon, should not be enacted because they would put the state into further competition with private, taxpaying firms in their attempts to foster industrial development.

The proposed legislation would create an Illinois Industrial Development Authority empowered to issue and sell an unlimited amount of revenue bonds with a maturity of up to 50 years. Proceeds would be used to acquire sites and buildings for rent to potential new industries, and the rent would be used to pay off the bonds.

The task of attracting new plants and industrial expansion is difficult enough for a community without a political agency arbitrarily "stacking the deck" in favor of some competing Illinois area. Industrial development, an aspect of private enterprise, should remain a private, rather than a public, matter.

Welcome To Downtown Motel

Today's ribbon-cutting ceremony officially marks the opening of a welcome addition to the community — the 45-unit three-story TraveLodge motor hotel, operated by Mr. and Mrs. Nelson Hediger.

Beautifully designed and fully equipped, including air-conditioning and a heated swimming pool, the motel also affords convenient access to the downtown business district. One of 250 TraveLodge motels, it will be a distinct asset to the Quad-Cities.

Gang Boss Wortman's belief—shared by the court—that he could not get a fair trial within 100 miles of here prompts a comment. (We normally withhold our views until the jury has reached a verdict, but the venue change to Springfield on the intimidation indictment renders this unnecessary.)

The comment is that one or two decades ago, the prosecution might well have wondered whether it had a fair chance of getting a conviction if such a case were tried here. All of which serves as its own commentary on the forward progress a region can make, and in just one or two decades.

Deputy Merit System For All Counties

Proposed enactment of a merit system for the Cook county sheriff's office raises the question of why there should not be similar systems for the other 101 counties of Illinois.

Law enforcement in unincorporated areas cannot be raised to a level comparable to that of municipalities until there is good pay and reasonable job security for deputies. A merit system, reducing the turnover each four years, would aid in filling the positions with young and qualified officers.

The Gentle Art Of Postponing Action

"Don't put off until tomorrow what you can do today." Put it off until the day after tomorrow.

This is the advice of one psychologist, who says increasing inward concern over deferred responsibilities eventually leads to meeting those responsibilities. Each day's delay adds to the assurance that action will be taken; the pressure finally prods the individual out of his lethargy.

This does not jibe with our experience that it is best to tackle the hardest task immediately. Once started, it does not seem as difficult as imagined, and all the other chores also become easier.

But we will agree that there is some logic in the psychologist's comment, and we can see one benefit of delay that he did not mention. If what is to be put off until later has to do with only a potential situation, postponement makes sense. Most of the problems facing an individual at a given time never materialize, studies on the subject have shown.

Three-Fourths Of ADC Funds Go To One County

Strong opposition from the Chicago area to any curbs on Illinois Public Aid Commission spending is understandable after perusal of the latest monthly report.

Expenditures in all categories totaled $16,247,000 in Cook county, compared to only $6,203,000 in the other 101 counties. The margin was almost 3-to-1 in aid to dependent children—$9,094,000 to $3,235,000. Cook county also had decisive edges in disability assistance, $2,245,000 to $612,000, and general assistance, $2,256,000 to $1,293,000.

Cook county has only about half of the state's population, as is indicated by the figures on old-age assistance and aid to the blind. But one would conclude that there were very few people living outside the Chicago area, if he scanned only the ADC, disability and general assistance rolls.

Levee Bond Plan--'No Tax Increase'

Proposed restoration of East Side Levee Board non-referendum bonding power includes the planned expenditure of $2,490,945 for hillside drainage — an item which backers say would cause no increase in levee taxes.

The bond plan has failed to gain much support in the state legislature.

The Levee Board says, "A bond retirement schedule can be arranged so that there will not be an increase in taxes for the East Side Levee and Sanitary District taxpayers."

What is not mentioned is that levee taxes, if there are no more bond issues, will start to decrease. The proposed hillside work and other projects would cause levee spending to remain at or near the present level rather than beginning to decline.

$9 Million Program

Hillside improvements would cost $9,340,000.

The $5,200,000 Madison county portion would consist of $3,370,000 in federal funds, $1,802,750 from the Levee Board, $17,250 from the state and $10,000 local.

St. Clair county's $4,140,000 portion would include $2,810,000 federal, $688,195 Levee Board, $479,025 state and $162,780 local funds.

It is proposed that all state and local funds used would be provided from Illinois motor fuel taxes.

Supporting information stresses that the interior flood control improvements are not primarily a Levee Board project but were designed by the U. S. Army Corps of Engineers. It is noted that the plan would provide for faster run-off of storm water in communities with sewer systems and near the bluff areas.

Damage, Benefits

Average annual flood damage is estimated at $626,000.

Yearly benefits are figured at $511,300, including prevention of $347,300 property damage, elimination of $126,900 crop damage and an increase of $36,900 in property values.

A low water dam to be reconstructed in the Cahokia Creek Diversion Channel is described as vital to protection of both the East Side and Wood River Levee District river flood levees.

The proposed legislation sent to Springfield sets Jan. 1, 1966—instead of the present Jan. 1, 1963—as the date until which bonds "may be issued without referendum."

After that date, no bond issue would be valid, except bonds to refund existing bonded indebtedness, "unless the proposition of issuing the bonds has first been submitted at a general or special election to the voters of the district and has been approved by a majority of those voting on the proposition." Or unless the law was amended again.

Your Governor Reports by OTTO KERNER

RETRAINING PROGRAM TO REDUCE JOBLESS

Illinois is taking firm steps in the vital mission of giving citizens whose skills have been thrown on the scrap pile by automation the opportunity to acquire new skills for a successful return to the labor market.

This mission is an urgent part of our broad attack on joblessness. A great boost was given in this area by the federal Area Redevelopment and the Manpower Development and Training Acts.

A total of 70 programs under these acts have already been completed, are currently in progress or are about to begin in Illinois. More than 5000 persons are affected. A total of 3200 men and women will be included in 43 new programs now in the planning stage.

We have made an excellent start, especially considering the fact that the federal project became reality only last year. Much remains to be done, and I am giving every impetus to the programs.

Using All Available Funds

In a recent announcement, I said: "It is noteworthy that Illinois already has utilized all the funds allocated to it for these programs and is now using funds other states had allocated to them and did not take advantage of."

Three state agencies are engrossed with the program: the Department of Labor, the State Employment Service and the Board of Vocational Education.

The Department of Labor determines fields in which great shortages of skilled and trained workers exist. The Employment Service must screen, counsel and test thousands of potential trainees. The Board of Vocational Education prepares curricula, secures training facilities, hires teachers, and sets up training classes where they are needed in the state.

Technological Changes

The importance of the program is obvious.

Technological changes sweeping Illinois, the nation and the world not only hold immense promise for a better life for all, but are creating new and more jobs.

However, the immediate impact means that some men and women have been thrown out of work. We have an obligation to help these people, who need help now.

Aid Recipients Trained

The effect of the program also is obvious. We are putting people to work. They are not only helping themselves, but the people of Illinois as well. This is especially true when one sees that trainees include public aid recipients.

The acquisition of new skills helps them secure a job, gives industry needed skilled workers and reduces the cost of public assistance.

Retraining is one of our many programs aimed at striking at the heart of the problem of unemployment.

SAFEGUARD YOUR HEALTH

A PUBLIC SERVICE OF THE ILLINOIS STATE MEDICAL SOCIETY

WHY ARE THERE TWO MEASLES VACCINES?

Thanks to the recent development of two new measles vaccines, we now have the means to eradicate the most dangerous of all childhood diseases—a disease that strikes more than 16,000 Illinois children every year.

Though both vaccines — the "live" and the "killed" — have proved highly effective, parents are asking:

Why two vaccines? Is one better than the other? Which one should my child receive? Let's find out!

Live Virus

The live virus vaccine is made from the virus which Dr. John F. Enders of Harvard weakened by growing through at least 72 generations in various kinds of tissue culture cells from human kidney to chick embryo.

ADVANTAGES: The live vaccine induces immunity in a single dose, is 95% to 100% effective and has long lasting immunity—at least two or three years, and probably longer.

DISADVANTAGE: Up to 80% of children who receive the live vaccine will run a fever from one to five days, and about half develop a slight measles-like rash. However, these mild reactions may be largely prevented by a shot of gamma globulin containing measles antibodies.

Exceptions Listed

Though the live vaccine is recommended for the vast majority of children, it is not advised for certain groups: pregnant women; patients with leukemia, lymphomas and other generalized malignancies; persons undergoing therapy which depresses resistance; persons who have recently received significant amounts of gamma globulin; and individuals allergic to eggs. If the vaccine involved was produced on egg embryo.

The killed vaccine — made from an inactivated virus—is administered in three doses at monthly intervals, with periodic booster shots required to maintain immunity.

No Side Effects

ADVANTAGES: The killed vaccine produces no side effects and has proved to be 90% to 95% effective.

DISADVANTAGE: Despite its effectiveness, there is evidence that the antibody levels start falling a year after inoculation.

The killed vaccine is recommended for patients especially prone to develop serious complications from the disease. Such patients include institutionalized children and those with cystic fibrosis, tuberculosis, heart disease and asthma and other pulmonary diseases.

Neither of the vaccines works against German measles, or rubella, the "three day" variety which—though normally harmless — threatens unborn babies with defects or death.

Begin When Infants

Who should be immunized? Vaccine should be administered to children without a history of measles at nine months of age or as soon thereafter as possible.

Which of the two vaccines they receive, however, is a decision for the doctor to make.

Vaccination of adults is rarely indicated, since all but a very small percentage have had measles and are immune.

K. Of C.'s To Hold Chicken Dinner Sunday

Tri-Cities Council 1098 of the Knights of Columbus will hold its annual chicken dinner from noon to 6 p.m. Sunday in the K. of C. hall. The public is invited.

Tickets are $1.50 for adults and 75 cents for children. Carry-out orders will be available. Proceeds will go to the council's building improvement fund. Entertainment will follow the dinner. Steve Saltich is general chairman.

Three-Fourths Of ADC Funds Go To One County

Strong opposition from the Chicago area to any curbs on Illinois Public Aid Commission spending is understandable after perusal of the latest monthly report.

Expenditures in all categories totaled $16,-247,000 in Cook county, compared to only $8,-203,000 in the other 101 counties. The margin was almost 3-to-1 in aid to dependent children—$9,-094,000 to $3,235,000. Cook county also had decisive edges in disability assistance, $2,245,000 to $612,000, and general assistance, $2,256,000 to $1,293,000.

Cook county has only about half of the state's population, as is indicated by the figures on old-age assistance and aid to the blind. But one would conclude that there were very few people living outside the Chicago area, if he scanned only the ADC, disability and general assistance rolls.

Levee Bond Plan--'No Tax Increase'

Proposed restoration of East Side Levee Board non-referendum bonding power includes the planned expenditure of $2,490,945 for hillside drainage — an item which backers say would cause no increase in levee taxes.

The bond plan has failed to gain much support in the state legislature.

The Levee Board says, "A bond retirement schedule can be arranged so that there will not be an increase in taxes for the East Side Levee and Sanitary District taxpayers."

What is not mentioned is that levee taxes, if there are no more bond issues, will start to decrease. The proposed hillside work and other projects would cause levee spending to remain at or near the present level, rather than beginning to decline.

$9 Million Program

Hillside improvements would cost $9,340,000.

The $5,200,000 Madison county portion would consist of $3,370,-000 in federal funds, $1,802,750 from the Levee Board, $17,250 from the state and $10,000 local.

St. Clair county's $4,140,000 portion would include $2,810,000 federal, $688,195 Levee Board, $479,025 state and $162,780 local funds.

It is proposed that all state and local funds used would be provided from Illinois motor fuel taxes.

Supporting information stresses that the interior flood control improvements are not primarily a Levee Board project but were designed by the U. S. Army Corps of Engineers. It is noted that the plan would provide for faster run-off of storm water in communities with sewer systems and near the bluff area.

Damage, Benefits

Average annual flood damage is estimated at $626,000.

Yearly benefits are figured at $511,300, including prevention of $347,500 property damage, elimination of $126,900 crop damage and an increase of $36,900 in property values.

A low water dam to be reconstructed in the Cahokia Creek Diversion Channel is described as vital to protection of both the East Side and Wood River Levee District river flood levees.

The proposed legislation sent to Springfield sets Jan. 1, 1966—instead of the present Jan. 1, 1963—as the date until which bonds "may be issued without referendum."

After that date, no bond issue would be valid, except bonds to refund existing bonded indebtedness, "unless the proposition of issuing the bonds has first been submitted at a general or special election to the voters of the district and has been approved by a majority of those voting on the proposition." Or unless the law was amended again.

RETRAINING PROGRAM TO REDUCE JOBLESS

Illinois is taking firm steps in the vital mission of giving citizens whose skills have been thrown on the scrap pile by automation the opportunity to acquire new skills for a successful return to the labor market.

This mission is an urgent part of our broad attack on joblessness. A great boost was given in this area by the federal Area Redevelopment and the Manpower Development and Training Acts.

A total of 70 programs under these acts have already been completed, are currently in progress or are about to begin in Illinois. More than 5000 persons are affected. A total of 3200 men and women will be included in 43 new programs now in the planning stage.

We have made an excellent start, especially considering the fact that the federal project became reality only last year. Much remains to be done, and I am giving every impetus to the program.

Using All Available Funds

In a recent announcement, I said: "It is noteworthy that Illinois already has utilized all the funds allocated to it for these programs and is now using funds other states had allocated to them and did not take advantage of."

Three state agencies are engrossed with the program: the Department of Labor, the State Employment Service and the Board of Vocational Education.

The Department of Labor determines fields in which great shortages of skilled and trained workers exist. The Employment Service must screen, counsel and test thousands of potential trainees. The Board of Vocational Education prepares curricula, secures training facilities, hires teachers, and sets up training classes where they are needed in the state.

Technological Changes

The importance of the program is obvious.

Technological changes sweeping Illinois, the nation and the world not only hold immense promise for a better life for all, but are creating new and more jobs.

However, the immediate impact means that some men and women have been thrown out of work. We have an obligation to help these people, who need help now.

Aid Recipients Trained

The effect of the program also is obvious. We are putting people to work. They are not only helping themselves, but the economy of Illinois as well. This is especially true when one sees that trainees include public aid recipients.

The acquisition of new skills helps them secure a job, gives industry needed skilled workers and reduces the cost of public assistance.

Retraining is one of our many programs aimed at striking at the heart of the problem of unemployment.

COMMENTS ON LETTER

To the Editor:

In answer to A.T.G. May 16, Negroes have their freedom. They are invading the freedom of the white. They have their own churches, schools, pools, etc., but that is not enough for them. You don't see any whites pushing their way into Negro life.

Why worry about Russia? Maybe that's one place they can't rule or push themselves into.

R.S.

SAYS PROGRAM IMPAIRED BY LOSS OF DIRECTOR

To the Editor:

What is happening to our YMCA?

My two daughters have taken an active part in the judo program for over a year and have enjoyed it beyond words. A few weeks ago, I learned that the judo director had resigned, leaving the future of the judo program in considerable doubt.

In quick succession, two other resignations took place; the most recent was the youth director. These last two resignations were also judo people. It would seem that discontent and unrest prevails in our YMCA.

How many other fine programs have fallen by the wayside due to lack of vision, lack of appreciation or just plain apathy?

Not too many years ago the "Y" boasted one of the finest gymnastic programs in the state. Its organizer left and was replaced by another well-qualified person. He, too, resigned to carry on a similar program with the Granite City park district.

The ridiculous and, I suspect, needless turnover of physical directors, youth directors, and special personnel certainly merits some investigation by our citizens. If the YMCA judo program suffers the fate of so many other fine programs, then the Granite City community will have lost a great deal.

Why should a program that can gain national recognition for Granite City and can attract visits from world champions be allowed to falter and die? As a citizen of Granite City and as one who believes in a sound YMCA program, I feel that steps should be taken to bolster a rapidly deteriorating situation.

CONCERNED

(Editor's note: The YMCA says that its judo program is continuing to operate with qualified instructors.)

ALL RACES HAVE SOME ADVANTAGES, LIMITATIONS

To the Editor:

This is my reply to the letter signed A.T.G.

I am white. I am not anti-Negro or a Communist. I am a mother of three, and would like to see them grow up in a free country.

Actually, whites are in the same boat as colored. We are not really free. We are being forced to attend schools, parks, etc., as were mentioned, with the colored people and we are supposed to like it.

I've read the letter three times, and only one solution stands out—that the Negro race, in time to come, will require intermarriage to satisfy their segregation problem.

We are not in a position to look at this situation logically. The Negro leaders won't allow it. They want everything, and it seems they have the answer to the way of getting it.

If the choice is ever mine to make, I'd have my kids grow up under red rule, rather than what is being sought. We should take a look at ourselves, black or white, and find that we do have many things to be grateful for, living in a segregated country or not.

If colored leaders think that desegregation is going to stop Communism here, they had better find another answer, because we are all free and there is always another choice.

A QUAD-CITY MOTHER.

SUGGESTS PARK ADD JUDO TO ITS PROGRAM

To the Editor:

At this reading, the Granite City Park Board will have been given an opportunity to accept an enrichment to its already fine program.

In recent weeks, five adults have left the YMCA—Roy Walker, Bob Whelan, Jim Lindell, Don Hibbler and, over the weekend, P. J. Lewis of the health club. Why this has happened no one seems to know. Worst of all, the board of directors seems content to let it continue.

Parents and adults interested in judo hope the park district will decide to start programming different activities for two reasons: competition between the park district and YMCA would be good for any sport and the town, and it would wake up the indifferent board, whose policy seems to be a little of "Alice in Wonderland" and the sort of strategy that resulted in "Custer's Last Stand."

KEEP JUDO IN GC

MANY TEENAGERS ARE SAFE, CAREFUL DRIVERS

To the Editor:

A mother asks herself, "Should I let my son have a car? Should I let him drive our family car?" He works, makes his own money, keeps up his grades and has completed his driver training course, top in his class.

We understand the chances we take when we let our children have a car. But when your 16-year-old comes to you and says he is getting a job, you realize your son is becoming a man. We know that a boy of 16 is not a man, but when he saves for a car, which all boys at that age want, what is a mother to do?

When you have taught your child right from wrong, by this age he should be able to look life in the face. We mothers have the toughest job in the world. We don't want to turn loose of our sons, but we know we can't keep them little boys forever. At this point, all one can do is just guide him and pray.

The other day I was driving my children to school. There was a traffic policeman at his post. We were all waiting our turn to turn off, when a car went off the shoulder of the highway on the wrong side, passing all of us. I recognized this driver, who was one of our policemen driving his child to school. It was raining and he could have caused an accident.

I wonder what the police department would have done had a teenager done such a thing. If they do not obey rules of the road, it makes it hard for a mother when she knows her son sees this—even when he assures her he knows better.

Do policemen have a driver training course? I never had driver training, so I think my boy is a better driver than me and a lot of us older ones.

Please, let's don't judge a teenager by his age or size. There are some who take chances and love to drive fast; if you see that your son likes to drive fast, take him to the tracks we have for those who love the thrill of going fast, not on the public streets where he will get hurt.

But don't judge all teenagers by a few who break rules. Most know what will happen when they get careless. A lot of accidents are caused by older people.

We feel deep sympathy for the parents of the young men killed the other day. One was my son's age, but it's not as much whether the son is 16 or 21.

Instead of blaming the teenagers, let's pray and guide them all we can. They need us as much as we need them. My 16-year-old says, "Mother, I'll be as careful as I can. If God sees fit it is my turn to go."

SAFEGUARD YOUR HEALTH

A PUBLIC SERVICE OF THE ILLINOIS STATE MEDICAL SOCIETY

WHY ARE THERE TWO MEASLES VACCINES?

Thanks to the recent development of two new measles vaccines, we now have the means to eradicate the most dangerous of all childhood diseases—a disease that strikes more than 16,-000 Illinois children every year.

Though both vaccines — the "live" and the "killed" — have proved highly effective, parents are asking:

Why two vaccines? Is one better than the other? Which one should my child receive? Let's find out!

Live Virus

The live virus vaccine is made from the virus which Dr. John F. Enders of Harvard weakened by growing through at least 72 generations in various kinds of tissue culture cells from human kidney to chick embryo.

ADVANTAGES: The live vaccine induces immunity in a single dose, is 95% to 100% effective and has long lasting immunity—at least two or three years, and probably longer.

DISADVANTAGE: Up to 30% of children who receive the live vaccine will run a fever from one to five days, and about half develop a slight measles-like rash. However, these mild reactions may be largely prevented by a shot of gamma globulin containing measles antibodies.

Exceptions Listed

Though the live vaccine is recommended for the vast majority of children, it is not advised for certain groups: pregnant women; patients with leukemia, lymphomas and other generalized malignancies; persons undergoing therapy which depresses resistance; persons who have recently received significant amounts of gamma globulin; and individuals allergic to eggs. If the vaccine involved was produced on egg embryo.

The killed vaccine — made from an inactivated virus—is administered in three doses at monthly intervals, with periodic booster shots required to maintain immunity.

No Side Effects

ADVANTAGES: The killed vaccine produces no side effects and has proved to be 90% to 95% effective.

DISADVANTAGE: Despite its effectiveness, there is evidence that the antibody levels start falling a year after inoculation.

The killed vaccine is recommended for patients especially prone to develop serious complications from the disease. Such patients include institutionalized children and those with cystic fibrosis, tuberculosis, heart disease and asthma and other pulmonary diseases.

Neither of the vaccines works against German measles, or rubella, the "three-day measles" which—though normally harmless — threatens unborn babies with deformity or death.

Begin When Infants

Who should be immunized? Vaccine should be administered to children without a history of measles at nine months of age or as soon thereafter as possible.

Which of the two vaccines they receive, however, is a decision for the doctor to make.

Vaccination of adults is rarely indicated, since all but a very small percentage have had measles and are immune.

Girl Scout Day Camp Registration Begins

Registration for summer sessions of day camp for Girl Scouts of the Piasa Bluffs Council began today and will continue to June 1.

District IV (Quad-City) scouts will go to Camp Lakota near Glen Carbon for the three one-week sessions.

After today, registrations are to be made with Neighborhood registrars. The fee for the week is $5. The Neighborhood registrars are—No. 1, Mrs. John Obranovich; No. 2, Mrs. Delores Hudson; No. 3, Mrs. Doris Stotz, No. 4, Mrs. Archie Beaty, and No. 5, Mrs. Jeri Schieb or Mrs. Opal Davis.

Day camp is designed to give girls a camping experience similar to established camp, except the girls return home each evening.

Each girl is to have a beaver bucket, sit-upon, metal knife, fork and spoon, cup, canteen, work gloves, mess kit or aluminum pie pan (a metal container such as frozen foods come in are suitable, but no plastic or paper plates) and a sharp pocketknife.

The girls will cook their lunch at the Tuesday, Wednesday and Thursday sessions and snack lunches will be required for the Monday and Friday sessions.

All equipment is to be labeled, and it is recommended the girls wear sturdy shoes.

First Year Successful

SIU Going Ahead With 'Space Age' Curriculum

Despite many problems caused by increased enrollment, Southern Illinois University's space age curriculum for underclassmen—general studies—has had a successful first year, its directors say.

The general studies curriculum went into full force this year with more than 5,000 freshmen at the university's Carbondale and Quad-City-Edwardsville campuses. Providing about half (96 quarter-hours) the course work needed for a degree, it is now required of all new undergraduate students.

Executive officer for general studies program at Carbondale is John W. Voigt; in charge at the Quad-City-Edwardsville campus is S. D. Lovell. The curriculum, blending age-old arts with modern social and biological sciences and newest developments in physical sciences, was designed to counter-balance the rigid concentration of courses in a student's major field of study, according to Prof. Harry H. Smith of the Quad-City-Edwardsville campus, chairman of the president's all-university committee on general studies.

Smith said the general studies plan was patterned after best features of similar programs at Harvard University, the Massachusetts Institute of Technology and other highly-rated colleges and universities.

Stress Physical Sciences

Under the new requirements, students must take twice as much work as previously in the physical sciences—mathematics, chemistry and physics.

Primarily, Smith said, the plan is aimed at providing relatedness and continuity to courses. For example, such subjects as anthropology, psychology and sociology must be taken in sequence.

Grades recorded so far this year indicate General Studies courses may be more difficult, Smith said. "But we feel as students get further into specific sequences of courses they will have a better background for advanced work."

A more accurate evaluation of the new program will be possible next year, when all SIU sophomores—those who entered the program this year as freshmen—will be tested. Such sophomore tests are conducted annually, and scores of next year's students will be compared with those from past years.

MAY CROWNING at St. Mary's Church, Madison, honored the new queen of the Catholic Youth Organization, Miss Paula Loftus, last week. Pictured (left to right) are Fr. Sylvester Micek, assistant pastor; Miss Loftus; Anthony Ratkewicz, escort, CYO president; and Fr. Engelbert Bienek, pastor. There were 12 maids, each with escort, and the traditional procession included scouts, choir members, servers, pages and St. Mary's students, including first graders dressed as priests and sisters.

15 Named To GC School Safety Study Committee

A 15-member committee of school, PTA and Safety Council officers to outline a school crossing safety program for Granite City was submitted to the council Monday night by Mayor Davis and received confirmation.

The committee is to outline safety measures along city streets and at school crossings to conform to the state's uniform traffic code. The work is expected to be accomplished in time for the program to be instituted by next September.

Mayor Davis said the group is to meet with Lt. Paul Moore, police department traffic officer.

Named to the committee were: Dr. Harold Kaiser, school superintendent; Rev. Lawrence Mattingly of St. Elizabeth's Church-school; Mrs. Kathleen Tadlock, president of the Area PTA Council; Homer Johnson, president-elect of the PTA council; Don Watson and C. E. Blankenship of the Quad-City Safety Council; Mrs. Lois Haynes of the Coolidge PTA.

Walter Klein, principal at Prather; Tom Jones, teacher at Frohardt; Lawrence McCauley, high school principal; Vasil Georgeff of McKinley PTA; Ralph Frohardt, principal of Coolidge; Arthur Menendez, principal of Lake school; Donald Kopp, principal of Nameoki school, and Dale Rea, principal at Emerson school and PTA Area Council safety chairman.

Mrs. Spengler Recovering

Mrs. Robert Spengler, 3666 Terrace lane, is a patient at Jewish Hospital, St. Louis, recovering from an operation for a ruptured spinal disc the past week. She expects to be confined to the hospital for at least another week.

65 Graduated From Dunbar Grade School

Sixty-five students were graduated from Dunbar school last night.

Diplomas were awarded by John Bellcoff, president of the Madison board of education. The American Legion award was presented by John W. Hampton to Cynthia Hampton.

The class was presented by Wade E. James, principal, and received by Wensel L. Brown, superintendent of schools. Following the singing of the national anthem and the invocation by the Rev. E. L. Jennings, pastor of Mt. Nebo Baptist Church, the welcome was given by Carmen Terrell.

The poem "Optimism" was recited by Allen Jefferson jr. Solestine Griggs sang a solo rendition of "The Sweetest Sounds," and Cynthia Hampton gave the farewell. A bouquet of roses in front of the stage was in memory of Miss Ferne L. Mosley, a teacher at the school who was killed in an auto accident about two months ago.

The class motto is "He who neglects learning, neglects his future." The class colors are purple and gold and the class flower is the carnation.

Graduates receiving scholastic honors were Ronald Burt, Verdell Ford, Cynthia Hampton, Leola Holiday, Mary Helen Jimmerson, Richard King, Nathaniel Orr, Reginald Shird and Carmen Terrell. The other graduates are: James Anderson, Phyllis Anderson, Ruby Anderson, Jearlean Baker, Albert Boyd, Melvin Brown, Carolyn Byrd, Sherrell Byrd, Mattie Sue Carter, Yvonne Carter, Ernestine Chatman, Rennell Clay, Odell Clinton, Linda Crawford, Tarrasinia Curry, Clettie Dunn, Jo Ann Farrar, Annie Fifer, Evelyn Fifer, Diana Griggs, Solestine Griggs, Adrienne Harper, Linda Harris, John Ingram, Thomas Ingram, Betty Lenoir Jackson, Allen Jefferson, Rosalyn Jefferson, Harelyn Johnson, Linda Johnson, Richard Jones, Samuel Jones, Dennis Latham, Lucille Leonard, Robert Leonard, Roosevelt Mukes, Mable Newby, Veony Newby, Thelma Pickett, Herman Powers, Columbus Rogers, Ronald Shaw, Queen Esther Sherrod, Carolyn Shipp, Claudine Shipp, Lottie Shirden, Denise Smith, Sammie Joe Smith, Charles Stanley, Lucy Stanley, Charles Thomas, Alfred Turner, Onedia Vaughn, Clemel West, Sharon Williams and Dwight Woods.

Historical Society Needs 'Wampum' To Buy Museum

(This is the third of a series of four feature articles on the proposed new Madison County Historical Museum. A $40,000 fund drive is under way to buy a 15-room house in Edwardsville for a county museum.)

More wampum! Indians had trouble making their wampum stretch to get all the necessities of life just as modern Americans do. More wampum, not the shell-bead variety, according to the Committee for a Madison County Historical Museum, can mean added opportunities for many adults and children who now are unable to enjoy the museum collections.

More wampum will make possible round-the-week display of one of the museum's most valuable collections, the Indian and pre-Indian artifacts gathered and donated to the museum by John Sutter. The collection is regarded as one of the finest of its type in the county.

Sutter, who was born in 1836 in Edwardsville, was employed in the Aldrup brick yard, on the F. A. Wolff farm, and apprenticed as a printer's devil in 1860 to E. S. Wolff, publisher of the Madison County Bote. He later acepted a similar position in 1872 with S. V. Crossman, at the Edwardsville Republican. Sutter began assembling the items at the age of ten, and added to it throughout his lifetime.

Collection Catalogued

The collection was catalogued along with other museum items as a WPA project in the early 1930's.

Included in the Sutter materials are effigies and idols, fragments of prehistoric sculpture, beads, walrus tooth buttons, beaded Indian pouches, pottery removed from the Madison County Indian mounds, flint drills, scrapers, saws, knives and axes.

Among the many arrowheads given by Sutter are those of shouldered flint, war, bunt and assorted designs.

A unique item in the Sutter display is a ceremonial vessel found during deep sea dredging off the coast of South America. Clay balls inside the feet indicate this was a ceremonial vessel shaken by Peruvian Indians to frighten away evil spirits.

Still puzzling are engraved stone tablets found when a field was plowed up near Monks Mound west of Collinsville. Of rude looking stone, with markings not yet deciphered, they represent two human figures and two birds' heads.

Of special interest to the younger set of museum visitors, the Sutter collection offers an important start to Indian artifact study. A detailed model of the Cahokia Mounds which recreates a settlement formerly located there also provides important material for Indian study.

Closed weekends, the present museum, located in cramped quarters on the third floor of the Madison county courthouse, will be moved into the 15-room Wolff mansion in the county seat if this month's financial drive is successful.

Needed is approximately $40,000 in public subscription to purchase, restore and repair the historic home.

SWIU Dean's Book Singled For Praise

An edition of William March's fables by Southwestern Illinois University Dean William T. Going has been singled out for praise by Pulitzer Prize winner Harper Lee (To Kill a Mockingbird).

In a recent syndicated article on the role of the university press, Lee is cited by Southern Regional Education Board director Winfred L. Godwin as praising Going and the institution of the university press for making the fables available "for the delight of anyone who enjoys a noble sentence, an astringent and unique personality, and wisdom born of worldly knowledge."

Going's edition of March's '99 Fables, published by the University of Alabama Press in 1960, was one of the winning books in the Ninth Annual Southern Books Competition sponsored by the Southeastern Library Association.

Dean of instruction at the university's Quad-City-Edwardsville Campus, Going continued his work on the late William March while on sabbatical leave during the past fall and winter quarters. An article, "William March's Alabama," by the SIU dean will appear in a forthcoming issue of the Alabama Review.

SPECIAL GIFTS
Although the primary need of the Museum is funds for general use toward purchase, repair, renovation and equipment, the Museum Fund has a Special Gifts Division for which contributions will be accepted for a specific purpose. Such special gifts could be directed toward renovation or redecoration of one or more rooms in the Museum, purchase of special equipment, acquisition of period furnishing, landscaping, support of special programs, or the like.

Your Investment In History Now Will Last For All Time!

CROWDED CONDITIONS in the present museum quarters in the Madison county courthouse make it impossible to add large items of historical value offered by county residents. Funds are being sought throughout the county to acquire a large 127-year-old brick mansion at the county seat to replace the crowded quarters in the courthouse.

House Passes Junior College Levy Measure

(Special from Springfield)

The House of the Illinois General Assembly has passed and sent to the Senate a bill to permit the levying of taxes for educational building purposes by a school district operating a public junior college. The vote was 94-53 in favor, with representatives Lloyd Harris (D-GCC) and Ralph T. Smith (R-Alton) voting "yes" and Leland Kennedy (D-Alton) voting "no." The bill passed with five votes to spare but had strong opposition.

Also passed by a 103-53 vote of House members was a bill which would create a new state code department of Children and Family Services. Harris and Kennedy voted "yes" and Smith "no" on this proposal.

The bills include an appropriation of $44½ million for the new department, which would begin functioning Jan. 1, and another $4½ million to the Mental Health Department which will continue certain types of supervision until the new department has been established and is well under way. The House completed final action on the program and sent the bill to the governor for his expected signature.

A bill relating to the exemption from jury duty for state officers, county officers, firemen, policemen and other officials passed the House 99-63, with Harris and Kennedy supporting the measure and Smith voting against it.

'Vacation '63' Musical Two Nights At YMCA

"Vacation '63", an imaginary musical tour of famous vacation spots around the world, will be presented at the YMCA May 31 and June 1 at 8 pm.

Proceeds from the amateur production will be applied toward the establishment of a theatre arts group in Granite City, according to the program's writer and producer, Brian Bronsman, a dance instructor.

Bronsman says the production will give amateur and portunity to gain stage experience before a live audience."

He said he hopes the production and others which may follow will provide the spark to interest persons in the idea of an organization for amateur theatre group here.

The YMCA is acting as a clearing house for such a venture, and interested persons may contact Dan Smith, program director, either before or after the presentation of "Vacation '63".

The song and dance production will include vacation "Stops" at such places as Battery Park, Broadway and Central Park in New York, the French Riviera, Disneyland, Hollywood and a number of foreign countries.

Performers will include vocalists Robert Arbogast, Erie Ann Mills, James Rice, Jerry Everett, ballet soloist Sharon Hill and participants in dance production numbers, acrobatic, ballet and tap.

Tickets, priced at $1.25 for adults and 75 cents for students, are available in advance from Bronsman, the YMCA or program participants, and also will be sold at the door both evenings.

$31,450 Bill List Includes Bonds For GC Officials

A $31,450 bill list was approved Monday night by Granite City council members with major items of expense including $3364 premium for city liability insurance for a year, $15,730 for work on motor fuel tax street projects and $2817 premium for bonds for officials.

The liability insurance payment was to Herman Mueller, while G. H. Sternberg & Co. is contractor for the two MFT street projects. The officials' bonds included: $350.685 for the tax collector, $500 for the superintendent of streets, $2000 for the city clerk, $1000 for the city attorney, $3000 for the mayor, $50.00 for the city treasurer, and the police and fire commissioners.

Maintenance, fuel and parts for city equipment totaled $1819; while 810 tons of slag for the street department was bought at a cost of $1579 from St. Louis Slag Products Co.

$77 For Weed Cutting

Leo Kamaduiski was paid $77 for cutting weeds on 26 lots.

Expense allowances approved were $244 for Civil Defense Director Victor Koenig and Shelter Coordinator Earl Bloomquist to attend a CD Staff College meeting at Battle Creek and $100 for Koenig's administration and auto expenses in May.

Aldermanic allowances of $30 were paid to Edmond Bartosiak and Mrs. Gabrielle Betinez.

Gilbert Richter of the Civil Defense staff was paid $27 for three men to go to Springfield to buy surplus government property for the CD unit.

Madison Shows Total Balance Of $102,960

The city of Madison ended its fiscal year on April 30 with a total balance of $102,960, according to an annual report of cash receipts and disbursements prepared by E. J. Miller, city comptroller, and Demos Nicholas, treasurer.

The balance included $18,186 in the general fund, $5484 in the library fund, $22,664 in the police pension fund, $2876 in the corporate bond fund, $3294 in the fire insurance fund, $16,307 in the motor fuel tax fund, $1680 in the playground and recreation fund, $32,325 in the special revenue fund and $140 in the special improvement fund.

General fund receipts for the year totaled $369,544, including $138,840 from corporate taxes, or 39% of the total; city sales taxes of $43,225, or 12%; $100,000 from the special revenue fund (Chain of Rocks bridge), or 28%; and retail liquor licenses of $18,138, or 6%.

Disbursements from the general fund totaled $351,357, including $113,243 for the police department, $20,340 for the fire department, $68,904 for streets and alleys, $10,453 for salaries of the mayor and aldermen, $24,370 for the garbage and refuse department, $13,954 for finance and accounting, $13,483 for public buildings, $33,756 for the municipal retirement fund, $12,954 for insurance and $1231 for Civil Defense.

Mayor Stephen Maeras noted that fines totaled $6796 while police magistrate costs were $4367, indicating that the office more than pays for itself.

Special Revenue

The special revenue fund showed receipts of $241,953 and disbursements of $209,628 for a balance of $32,325. A $50,000 investment earned $875.

The mayor pointed out that about $50,000 in improvements were financed through the fund, including $22,045 for city hall alterations, $24,119 for city garage alterations, $4369 council room furniture and $2594 in architect fees.

Receipts included $100,000 from the Chain of Rocks bridge and $14,983 from the sale of land to the state of Missouri. The balance in the fund at the start of the year was $69,595.

The police pension fund showed receipts of $35,300, including a beginning-of-the-year balance of $17,870, taxes of $9575, police contributions of $5629 and $2,225 in investment earnings.

Disbursements included $10,590 for widows & pensions, $720 for police pension, $300 for clerical services and $25 for a filing fee, leaving a balance of $22,664. Comptroller Miller said the fund has an investment account of $50,000, and an additional $10,000 will be invested at 4½% interest.

Playgrounds, Recreation

Playground and recreation receipts totaled $33,329, including a May 1, 1962, balance of $6,512, taxes of $12,824, and $4822 from the United Fund, and disbursments of $31,648, leaving a balance of $1681. Disbursements included salaries totaling $7148 $8049 for repairs and a total of $3118 for supplies.

Corporate bond fund receipts included a balance of $3938 and taxes of $17,362 for a total of $18,424, including $15,000 in bond retirement and $3395 in interest, leaving a balance of $2,576.

The library fund showed receipts of $16,236, including $11,786 in taxes, $379 in fines and dines and-$40 from rent, and disbursements of $10,752, leaving an April 30 balance of $5484. Disbursements included salaries totaling $5406, $1573 for books and $269 for supplies.

The fire insurance tax fund showed receipts of $4743, including $3141 in taxes, and disbursements of $1449, including $1229 for purchase and installation of radio equipment, leaving a balance of $3294.

The motor fuel tax fund had receipts of $53,371 and disbursements of $37,064, leaving a balance of $16,307.

The special improvement fund showed receipts of $140, including $130 from taxes. There were no disbursements.

Memorial Day Services Set By DUV, Legion

Memorial Day rites in the Quad-Cities area will be conducted May 30 by Sarah Jane McEvers Tent 90, Daughters of Union Veterans, and Venice-Madison American Legion Post 307.

Services also are being scheduled for Calvary Cemetery and by the Pvt. Ostendorf post of the Veterans of Foreign Wars at Buck Road Cemetery.

The DUV ceremony will be conducted near the National Cemetery Memorial on the city hall lawn in Granite City at 9 a. m.

The public and all veterans and civic organizations are invited to place wreaths in honor of departed soldiers at the memorial.

The program includes greetings by Mayor Leonard Davis, a prayer by Rev. Robert Baumann, pastor of St. Peter E. & R. Church, and benediction by a priest from Sacred Heart Church.

The speaker will be G. H. Sternberg, local contractor. Songs will be presented by the King's Daughters Three-O, Delores Boston, Ines Gann and Geanne Hasty. The organist will be Ruby Sparks. Cub Scouts attending the flag will be from Pack 99. The pledge of allegiance and taps will close the services.

The annual observance here has been broadened to honor those of all American wars.

The Venice-Madison Legion will hold a parade at 10 a.m. from the Madison Memorial center to the post home in Venice where services will be conducted on a lawn decorated by crosses, flags and a tomb. Guest speaker will be Circuit Judge Joseph J. Barr of Wood River.

FORMER RESIDENT VISITING HERE

Mr. and Mrs. Walter Wolford of Oakland, Calif., will leave Friday for their home after a visit with Mrs. Wolford's parents, Mr. and Mrs. William Backs, 2325 State street.

Mr. and Mrs. Wolford, who were married recently in California, were entertained at a cocktail party this week given by her brother and sister-in-law, Mr. and Mrs. Robert Backs, 17 Bermuda lane. The guests were fellow workers in the local offices of the Southwestern Bell Telephone Co., where Mrs. Wolford, the former Helen Backs, was employed for more than 25 years, the latter part of the time as office supervisor.

DAR Ends Season With Picnic

Drucilla Andrews Chapter, Daughters of the American Revolution, brought their meetings for the season to a close with an outing and picnic supper Monday.

Mrs. Mary Connole and Mrs. Grace Johnson were co-hostesses to the chapter at the home of the former's son and daughter-in-law, Mr. and Mrs. Paul Connole, 10027 Center lane, Fairview, and the group gathered for a pot luck meal served on the patio at 6 o'clock.

Afterward Miss Nelle Carr, regent, conducted a brief business session and the usual program was dispensed with.

Those present were Misses Bess and Nelle Carr, Claudine and Lucille Coulter, Morene Groshong, Ella Ray Smith, Nelle Hart and Anna Wilcox, Mrs. Doris Bloomquist, Mrs. Eva Meier, Mrs. Thelma Haven, Mrs. Mary Uzzell, Mr. and Mrs. Connole and the hostesses.

The regular meetings will be resumed in the fall.

Lester-Hampton Engagement

Mr. and Mrs. Edward A. Hampton, 224 W. Church street, Palmyra, Mo., are announcing the engagement of their daughter, Miss Catherine Arnold Hampton, to Carol O. Lester, whose parents are Mr. and Mrs. Clyde W. Lester, 2729 Washington avenue.

The bride-elect is a graduate of the Palmyra high school and Oklahoma College for Women, Chickasha, Okla., where she was active in Art Club and Be Si Ta social club. Since her graduation she has been employed in Kansas City, Mo.

Mr. Lester, who received his B. A. degree from Central Methodist College in Fayette, Mo., is now attending the University of Illinois School of Medicine in Chicago. He is a member of Phi Beta Pi, medical fraternity, and Pi Kappa Epsilon Medical Honor Society. Tentative plans are made for a late summer wedding.

ENGAGED. Miss Catherine Arnold Hampton, bride-to-be of Carol O. Lester. The betrothal of the couple is announced by her parents, Mr. and Mrs. Edward A. Hampton, Palmyra, Mo. Mr. Lester is a son of Mr. and Mrs. Clyde W. Lester, 2729 Washington avenue. A late summer wedding is planned.

New McKinley Bridge Traffic Records In April

New McKinley Bridge traffic records, which are becoming routine, were set again in April, a monthly report has disclosed. The 418,818 vehicles and 13,960 daily average topped all previous April marks.

Previous April crossings numbered 324,554 in 1959, 337,212 in 1960, 334,875 in 1961 and 396,768 in 1962.

During the past month, there were 93,942 crossings in the first week, 96,117 on April 8-14, 98,498 in the third week, 95,597 on April 22-28 and 32,664 in the last two days.

2,795,000 This Year

Traffic so far this fiscal year totals 2,795,866, including 434,623 in October, 405,514 in November, 400,446 in December, 376,811 in January, 354,295 in February and 405,359 in March.

The tally after the first seven months of the 1961-62 fiscal year was 2,648,646, indicating a 5½% rise this year. The past year's grand total was 4,742,868, and there is a possibility of a 5,000,000 year in 1962-63.

Damage from a fire on the bridge May 3 has been repaired.

Frank Welshan Aboard Ammo Ship, USS Nitro

Frank Welshan, 20, son of Mr. and Mrs. Waldo Dalton, 2817 Palmer avenue, is serving in the U. S. Navy aboard the ammunition ship USS Nitro off the east coast with the Sixth Fleet.

Welshan, who has been in the Navy two years, was among the crew members receiving a commendation for the success in performing the task of supplying ammunition to carriers and submarines during the Cuban quarantine, operating a supply line several hundred miles long.

The operations of the Nitro permit the Sixth Fleet to remain independent of shore based facilities for long periods of time. It has visited France, Greece, Italy and Sicily and during the voyage served nuclear powered aircraft carriers.

Hall-Wentworth Engagement

Another of the spring engagements announced is that of Miss Jane Wentworth, a daughter of Mrs. Virginia B. Wentworth, Melrose, Mass., and Ronald G. Hall, son of Mr. and Mrs. Elbert Cochran, 3005 Myrtle avenue. A June wedding is planned.

The prospective bridegroom was graduated from the Granite City high school in 1955 and is an alumnus of Missouri Valley College where he majored in physical education. He is a member of the Boston Patriots American football team and teaches school in the spring semesters.

He is now in Kansas City, is working toward a Master degree and is with the U. S. Army Reserves. The bride-elect graduated from the Melrose, Mass., high school.

Miscellaneous Shower Honors Miss Joyce West

Miss Joyce West, who will be a June bride, was honoree this week at a miscellaneous shower in the home of Mr. and Mrs. Nick Azari, 2333 Waterman avenue. The hostess was assisted by Mrs. June Anselm of Collinsville, Miss Diana Stone and Miss Mickey Azari.

A spring bridal theme was used and the table was attractively-appointed with a musical centerpiece of flowers. The gifts were placed under a large blue umbrella and a blue and white color scheme prevailed throughout.

Games were played and prizes were awarded to Mrs. Rose Young, Mrs. Ann Haley, Mrs. Dorothy Luckert, Mrs. Olga Koenig and the honoree. Others present were Mesdames Ruth Thornsberry, Ruth Seymour, Pat Macek, Lorraine Boushard, Blanche Reimers, Dorothy Wallace, Helen Bischoff, Dixie Cook and Mayme West. Misses Margaret Bischoff, Pat Young, Eileen Boushard, Christy Luckert and Linda West.

A number of pre-wedding parties have been given for Miss West who is to be married June 22 to Lowell Griffith. The ceremony will take place at Niedringhaus Memorial Methodist Church.

More Boats And Autos Cause More Lawsuits

Increases in population, new highways and more travel by motor vehicle and boats were listed as the reasons for more litigation in the circuit court at Edwardsville, it was reported this week by Clerk Willard V. Portell.

Portell said the number of cases increased by 105 this year, compared to 1962. "More people are filing in the circuit court due to uncertainty of the judicial change in city courts," Portell added.

'King Of Swat' Contest Opens At Farrington's

A "king of swat" boys batting contest opened this week under Frank Baczewski, Myrtle Bequvision of Chrysler Corp., with local competition underway in the showroom of Farrington Motors, 1911 Madison avenue. Hours are 8 a.m. to 8 p.m. daily.

The auto agency has a unique batting stand in the showroom. Each boy takes a swing at the ball mounted on the end of a rod-type arm. When the ball is hit, it swings round and round, and meter records the number in terms of "feet." A high score can be attained by hitting the ball squarely.

There will be three age groups: Six and seven, rookie circuit; eight and nine, junior circuit; and 10 and 11, senior circuit. A trophy will be presented to the winner of each age group. It is a statue of a ball player, and the name of the winner will be engraved on it.

A boy's parent or guardian must accompany him to verify his correct age. The competition will continue until June 15.

Unbeaten Mercer, St. Clair Clash Sunday In Top Game; Sacred Heart Home To Troy

Undefeated in four games thus far this spring, St. Clair Heating of East St. Louis will be challenged by the only other unbeaten team in the Southwestern Illinois Inter-City Baseball league, Mercer Funeral Home of Granite City, in the top game on Sunday's I-C card.

Mercer, which handed Pocahontas its first setback last week, will be challenging St. Clair for the top spot in the Blue division. The GC entry is a half-game behind St. Clair in the standings.

The East St. Louis team has won four straight while Mercer is 3-0. The teams will play at Jones Park in East St. Louis at 2:30.

Like Mercer, Sacred Heart of Granite City has been rained out on two of its five dates this season.

The Hearts will be trying to reach the .500 mark Sunday when they play host to Troy at Wilson Park. The Redbirds won their first game in four tries last Sunday in a weekend which saw Red division teams get the better of things for the first time this year.

Probably the No. 2 game in importance Sunday is between Maryville and Moose Lodge No. 4 of East St. Louis, tied for the Red division lead with 2-2 records. The teams collide at Maryville.

Pocahontas will visit Collinsville and the Atwood Flyers are at Carpenter in Sunday's other I-C games.

Deer May Be Taken In Macoupin County During 1963 Season

Macoupin county has been added to the list of counties where deer may be taken with shotgun or bow and arrow, on a quota basis, during the 1963 season, according to William T. Lodge, director of the Illinois Department of Conservation.

Dates for the 1963 shotgun and bow seasons will be announced after July 1, in accordance with regulations now pending in the General Assembly.

Deer may not be taken next season in Madison or St. Clair counties. Nearby counties where bow or shotgun seasons will be open include Calhoun, Greene, Clinton, Perry, Randolph and Washington.

Rulings Announced On Voter Cards, Tuition

Attorney General William G. Clark has held that where voters' registration cards appear in the precinct list but not in the master file, the county clerk should notify the electors and have new registration cards executed.

If an elector refuses to execute a new registration affidavit within 30 days after a notice has been mailed to him, Clark's opinion stated, his registration shall be canceled. The county clerk is to use the duplicate cards or precinct list in compiling the list of voters in a precinct.

A public school which charges any tuition for summer school cannot file a claim for state aid for such summer school, Clark has advised Ray Page, state superintendent of public instruction, in another new ruling.

Nameoki Town Board Meet Postponed; Member Ill

The Nameoki town board meeting set for Monday night was postponed indefinitely because of the illness of Town Auditor Herbert Polley, who is suffering a foot infection and is confined to his home.

The town board has a vacancy, created by the resignation of Gene Rotter to become township tax collector, and there will not be a quorum until Polley's recovery, Supervisor Harry Briggs explained.

Admitted To Hospital

Dorvin Sechrest, 21, of 2232a East 25th street, was admitted to St. Elizabeth Hospital after he was thrown from his motorcycle on Monday. He suffered abrasions on the right knee, his left wrist appeared to be disfigured and he complained of other pains. X-rays were taken.

GC Relief, Town Costs Total $3081

Relief and town fund bills totaling $3081 were approved Monday night by Granite City council members. Of the total, $1376 was for general assistance and $1705 for town purposes.

Relief costs included $411 for food, $166 for medical care and $147 for rent, along with administrative costs of $25 for caseworker travel, $437 half-month salaries for office workers, $95 for retirement, $45 for janitor service and $50 for telephone service.

Town fund disbursements were $162 half-month salary and $50 travel allowance for Supervisor Nelson Hagnauer, $300 half-month salary and $50 travel for Assessor H. Von Dee Cruse, $220 half-month salary for Chief Deputy Assessor Mrs. Margaret Hornberger, $100 monthly salary for Town Atty. George Moran, $20 per diem for Town Clerk A. L. Stevens.

Assessor office expenses were $16 for janitor service, $64 for telephone service, $22 for copy paper, $618 salaries for six deputy assessors.

Publication of the supervisor's annual report amounted to $82.

Council members also approved a resolution designating Mrs. Ada Kelly as township agent for the Illinois Municipal Retirement fund.

Fines In April Total $2864 In Granite City

Fines and court costs collected during April by Police Magistrate Gasparovic totaled $2864, it was reported to the city council Monday night.

Of the total, $2271 was for city law infractions, $267 for state laws and $336 for county cases.

Broiler Smoke Damages House

Smoke damage was set at $50 in the home of Guinevere Berkeley, 2336 Edison avenue, where grease in a broiler in the kitchen caught fire about 6:40 p.m. Monday. Firemen who answered the alarm at the two-story brick house said there was no fire damage, but the house was filled with smoke.

National Staffer Will Visit Scout Council

Miss Shirley Hutchinson, Girl Scout National Staff member and adviser for the River Bluffs Girl Scout Council, will be visiting the council this week. Mrs. John H. Marsh, council president, today expressed pleasure over this opportunity for the staff members and volunteers to meet with Miss Hutchinson for discussion and advice.

Miss Hutchinson, who has been a member of the National Field Staff of Girl Scouts of the USA for ten years, has grown up in a tradition of public relations and of Girl Scouting. Her father, Frank Hutchinson, was an editor of the Chicago Tribune, and her mother is a former president of the Greater Chicago Girl Scout Council.

Each of the chartered Girl Scout councils in the 50 states is supplied with the services of a specialist in the administration of a Girl Scout council. Her periodic visits to her councils at no expense to them, serve to reassure the local personnel that they are living up to the obligations of the council's charter; to bring program of high quality to an ever-increasing number of girls.

In Memoriam 33

In loving memory of BARBARA EDRINGTON, May 23, 1960. There was a band of Angels in heaven
That was not quite complete.
God took our dearest mother
To fill the vacant seat.
Sadly missed by
FAMILY 33-5-23

In memory of CLARENCE WILLIAMS, who passed away May 25th, 1962:
Just a year ago the sun was shining bright, We didn't know then in just a few short days
God would call you to come on home where there is no pain.
Everywhere I look, each thing I see, Makes me miss you so.
Jesus says we can come on home, to be with you and leave your sorrows behind.
WIFE AND CHILDREN 33-5-23

In loving memory of LAWRENCE LONG, May 23, 1962: Sunshine passes, shadows fall, Love's remembrance outlasts all. And though the years be many or few,
They are filled with remembrance, dear, of you.

BRIDAL SHOWER HONORS MISS JUDITH FRYNTZKO

A surprise bridal shower was given Sunday afternoon honoring Miss Judith Fryntzko.

The shower was given by Mrs. Harry Fryntzko, Mrs. John Fryntzko, Mrs. Val Fryntzko, Vasil Fryntzko, Mrs. George Gregus, Mrs. Tony Simurda and Mrs. John Dezan, all aunts of the bride-to-be.

The honoree is to be married June 8 at Sacred Heart Church to Robert McClew.

Pink and white formed the color scheme used in decorations for the event, which was held at the Nativity of Virgin Mary Eastern Orthodox Catholic Church, 416 Ewing avenue, Madison. The bridesmaids are to use the colors of pink and white in their attire for the wedding. Pink and white streamers were used with two large wedding bells.

The gift table was adorned with a pink umbrella, and the luncheon cloth of white held crystal candlesticks with pink lighted tapers. Fresh peonies were used on each of the tables in crystal bud vases.

The bridesmaids, Claudee McClew, Janice Fryntzko and Mrs. Mattie Ritz, assisted with the opening of the gifts.

Refreshments were served to Mrs. Andrew Fryntzko, the bride's mother, and Mesdames Dorothy Fryntzko, Gladys Thoyer, McIntire, Mary Dezan, Cliff Blankenship, Edward Gieszelman, Joe Krusec, John Kozyak, Mike Barry, Pando Mavricky, Papp, John Miks jr., John Miks sr., Arthur Ritz, Mary Mertz, Lydia Dugan, Steve Nemeth, William Sanders, Nick Tanase, Frank Starr, Frank Schenhoffer, John Plafcan and daughters, Gale, Dan Sovich, Frank Syniski, Andy Schultz, Joe Tolka, Steve Fitzgerald, Abel Valencia, Tom Bridick, Joseph Yobby and granddaughter, Mike Zikovich, John Tanase, Andrew Purdes, Frank Demmer and children, Kenneth Williams, Peter Trojan and daughter, Mary, Helen Dobronic, Paul Rydgig, John Dutko, Mary Kovach, Mike Chomko, Sophie Greene, Sam Revak, Ruth Tedesco and son, Timmy, Charles Seska, Eva Kulick, Ruby Sporcic and daughter, Mary Ann, and John Harizal and Misses Kathy Simurda, Kathy Tokla, Janice Fryntzko, Marie Fryntzko, Mildred Zikovich, Kathy Zotti, Kathy Syniski, Carol Niepert, Joyce Obedieck, Rose Mary Sandors and Carol Ann Sandors.

Guests from Collinsville were Mrs. Edmund Crowell, Mrs. Steve Peterman, Mrs. Everett Hammond and daughter, Kim, and Mrs. Donald Warren. East St. Louis guests were Mrs. William Popovchak jr. and Mrs. Tony Kruta. An Edwardsville guest was Mrs. James Knipping, and St. Louis guests were Mrs. William Popovchak sr. and Mrs. George Butchko.

LADIES' ORGANIZATION INSTALLS OFFICERS

Installation of officers for the new year was held Monday evening by the Madison Ladies Duty Organization.

A dinner was served at the Sportsman's club in Madison, with the retiring officers as hostesses.

At the conclusion of the dinner, the installing officer, Mrs. Mildred Michels, installed the following: Mrs. Maxine Costoff, president; Mrs. Sally Maerus, vice-president; Mrs. Hilda Graville, secretary; Mrs. Ann Bialczak, treasurer; and Mrs. Virginia Schreiber, marshal.

Mrs. Schreiber was named chairman of the organization's Fourth of July celebration, with Mrs. Mary Bridick as co-chairman.

Retiring officers are Mrs. Sally Bosworth, president; Mrs. Costoff, vice - president; Mrs. Julia Voloski, secretary; Mrs. Ann Bialczak, treasurer; and Mrs. Marie Stawar, marshal. Each officer was presented with gifts and a corsage.

The remainder of the evening was spent as a social period, with games played and prizes awarded.

Other members taking part in the monthly meeting were Mesdames Mary Hlavn, Veronica Kula, Ida Dant, Sophie Dezan, Geneva Blumenstock, Helen Geroff Maxine Skinner, Bernadine Asperger, Sara Dutko, Kay Mullen, Norma Sicoko, Hazel Hinson, Josephine Knezevich, Mary Bridick, Sally Bosworth, Violet Bader, Barbara Gushleff, Mary Jo Burns, Shirley Dutko and a guest, Mrs. Kina Ninoff.

FAREWELL SUPPER FOR REV., MRS. ODEN

Rev. Russel D. Oden delivered his last sermon as pastor of the First Methodist Church of Madison Sunday morning. He has served as pastor of the church for the past three years. He had been assistant pastor at the Niedringhaus Methodist Church prior to his appointment to the Madison church.

Rev. Oden was married Aug. 4, 1962, at the Niedringhaus Church. Mrs. Oden has played the organ and directed the choir at the Madison church since her marriage. He has been assigned to another church.

Rev. and Mrs. Oden were honored with a "family night" covered dish supper Sunday evening at the church, attended by most of the congregation and their families.

A cake was baked and decorated for the occasion, and they were presented by the congregation with a picture of the interior of the church, showing the date of his service here from 1960 to 1963.

Two Boys Steal Six Fish Knives At Bait Shop

Police are searching for two teenage boys, about 15 years old, who stole six fish knives from Al's Bait shop, 2817 East 23rd street, Monday afternoon.

The proprietor, Albert Henn, said he was in the yard at the rear of the shop when the boys entered the building. He saw them leave and went inside to discover the box that had contained the knives lying on the floor near the front door.

'Jobs For Youth' Week Set June 9-15 By Kerner

A "Jobs for Youth" Week will be observed June 9-15 in a statewide effort to find summer employment for high school and college students on vacation.

Mayors and municipal leaders are to be asked by Gov. Otto Kerner to head local job campaings. Leading the activities and serving as campaign headquarters will be the 51 Illinois State Employment Service offices, including the local office.

Malcolm A. Thompson, manager of the local office at 2050 Iowa street, pledged an all-out effort by his staff to assist employers, shopowners and homeowners throughout the area to fill their needs with enthusiastic, energetic and youthful job aspirants.

He suggested a phone call to the office as a quick means toward solving a worker shortage or to add more help to meet peak operations, reminding that there are no charges or fee to either party for the service.

All Interest Sought

The interest and support of public leaders, industry, business, labor, education and civic, social and community organizations will be sought to get jobs for the record number of high school and college youths who will be seeking employment for the summer, or in the case who have finished school, embarking upon a working career.

Robert R. Donnelly, director of labor, called upon merchants, manufacturers, homeowners — every citizen that has a job which can be handled by a high school or college boy or girl to list their hiring needs with the local offices. He said hundreds of jobs are needed in every community to help out-of-school youth to find employment during the summer as well as to help those who have finished school embark upon a working career.

"The advantages of a summer job are numerous and an important preliminary to a career," ISES Supt. Walter E. Parker pointed out. "Getting and holding a job is good citizenship and builds self-reliance and independence.

"Working experience is valuable and summer vacation time is an opportune time to get such experience, or at least part of it. Many employers find themselves short-handed during the vacation season and can use students as fill-ins for vacationing force or staff."

DUV Tent 92 Plants Memorial Flower Bed

Members of Aunt Becky Young Tent 92, Daughters of Union Veterans, aided by street department workers planted a memorial flower bed Tuesday at the base of the flag pole at the city's main fire station, 23rd street and Madison avenue.

The blooms will spell out the name of the organization and was designed to commemorate the 100th anniversary of the Civil War. Permission for the tent to install the flower bed in time for Memorial Day was granted several weeks ago by the city council.

Mrs. Violet Kassabaum directed the planting.

Charged With Speeding

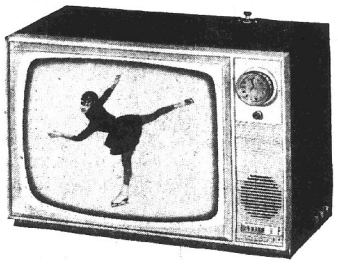

Gary Butler, 19, of 3120 Aubrey avenue, was arrested Monday at 24th street and Madison avenue on a charge of speeding. He posted his driver's license as bond.
